Alexander Pushkin: The Collected Stories By Alexander Pushkin

Pushkin's prose tales are the foundation stones on which the great novels of Turgenev, Tolstoy, and Dostoevsky were built, but they are also brilliant and fascinating in their own right. In both prose and verse, Pushkin was one of the world's great storytellers: direct and dramatic, clear-sighted, vivid, and passionate.

This new and expanded Everyman's edition of his stories includes all the mature work. In addition to such novella-length masterpieces as *The Captain's Daughter* and *The Tales of Belkin* the collection now contains many more short pieces and the masterly *History of Pugachev*, a powerful account of the man who rebelled against Catherine the Great. This version is translated by Paul Debreczeny and Walter Arndt.

(Book Jacket Status: Jacketed)

Editorial Review

Review

“Pushkin is not only Russia’s primary and archetypal author but her most astonishingly versatile one . . . There is something Mozartian about his genius, which is replete in the same manner with variety, gaiety, and depth . . . [His prose stories] are not only as much masterpieces as his tales in verse, but carry the same unmistakable and original stamp of his style and personality.”

—from the Introduction by John Bayley

About the Author

Alexander Pushkin (1799-1837) was a poet, playwright, and novelist who achieved literary prominence before he was twenty. His radical politics led to government censorship and periods of banishment from the capital, but he eventually married a popular society beauty and became a regular part of court life.

Notoriously touchy about his honor, he died at age thirty-seven in a duel with his wife's alleged lover.

Users Review

From reader reviews:

Pamela Bradley:

In this 21st centuries, people become competitive in each way. By being competitive today, people have do something to make them survives, being in the middle of typically the crowded place and notice through surrounding.
