Crown of Midnight (Throne of Glass) By Sarah J. Maas

Celaena Sardothien is the king's Champion-yet she is far from loyal to the crown, for the man she serves is bent on evil. But working against her master in secret is no easy task. As Celaena tries to untangle the mysteries buried within the glass castle, she can trust no one, not even her supposed allies Crown Prince Dorian, Captain of the Guard Chaol, and foreign princess Nehemia.

Then, an unspeakable tragedy shatters Celaena's world. She must decide once and for all where her loyalties lie . . . and whom she will fight for.

An action-packed and romantic adventure that readers “will never want to leave” (*Kirkus Reviews*), the next chapter in this smash hit *New York Times* best-selling series is sure to please Sarah Maas's enormous and ever-growing fan-base—and to set the stage for an explosive third book.

Editorial Review

From [Booklist](#)

Now that Celaena Sardothian is safely ensconced as the king's assassin, after *Throne of Glass* (2012), she's begun to consider the true price of her freedom. Tasked with killing her tyrant king's enemies, Celaena has a tricky balance to strike: proving her loyalty and preserving her life, and trusting the growing voices decrying the king's power-hungry schemes. But that balance crumbles with an unexpected death and a frenzied search for both the killer and the secrets that murder was meant to hide. Meanwhile, Celaena finds herself in the midst of a steamy love triangle, with jealous glares flying almost as fast as her own daggers. There's a lot to like in Maas' latest—magic, witches, betrayal, love, page-flipping action—and it's balanced by an equally tantalizing secret: Who is Celaena, and what is she hiding? It's probably best to start at the beginning of the series, and fans will be satisfied not only by the intricate plot, dishy romance, and rich world building but they will be thrilled by the prospect of deepening adventures in the next volume. **HIGH-DEMAND BACKSTORY:** Author tours, conference appearances, social-media campaigns, global marketing: this up-and-coming author will be making the rounds. Expect her large online fan base to follow. Grades 7-12. -- Sarah Hunter

Review

"Vivid Celaena, loving and brutally violent in turn, is a fully realized heroine. The ending comes at the right time--at the close of one storyline and prologue of another--to leave readers impatient for the next installment." ?*Kirkus Reviews, starred review*

"Readers seeking the political intrigue of Kristen Cashore's *Graceling* and its sequels or the deadly competition at the heart of *The Hunger Games* will find both in Maas's strong debut novel. . . . The verve and freshness of the narration make for a thrilling read." ?*Publishers Weekly, starred review, on Throne of Glass*

"This commingling of comedy, brutality and fantasy evokes a rich alternate universe with a spitfire young woman as its brightest star." ?*Kirkus Reviews, on Throne of Glass*
