## Duke of Deception: Memories of My Father By Geoffrey Wolff

Duke Wolff was a flawless specimen of the American clubman -- a product of Yale and the OSS, a one-time fighter pilot turned aviation engineer. Duke Wolff was a failure who flunked out of a series of undistinguished schools, was passed up for military service, and supported himself with desperately improvised scams, exploiting employers, wives, and, finally, his own son.

In *The Duke of Deception*, Geoffrey Wolff unravels the enigma of this Gatsbyesque figure, a bad man who somehow was also a very good father, an inveterate liar who falsified everything but love.

#### Review

Abundant with the complexities and contradictions of family sympathy...First-rate autobiography, conscientious and intimate....It is as lucid and complicated...as a good novel."

-- John Irving, The New York Times Book Review

"An enormously moving story of familial love and hate and coming-of-age...No man can finish this book without resolving to take stock of his relationship with his own father....The claim on the reader is very large indeed."

-- Newsday

"Beautifully written...rich in anecdote...resonant with conflicting emotions, from adoration to anger, from gratitude to guilt, from pride to pity."

-- Village Voice
