"I'm Still Here": The Diary of a Driving Instructor By J. Myers

This Publication has been put together as food for thought only. Hear Say Items Have Not Been Removed. The Author's Opinions may differ from the opinion's of the readers, students and hear say. This Publication will improve the new driver's concept of safety. It is not to be taken or confused with a driver's manual.

"It is a Diary!"

As I put this last piece of information together, one student's comment comes to mind, "Driving is not a contact sport!"

This class was great and I am grateful to have taught them.

"You are the best generation yet."

I wish them all the luck in the world, and the stars if they choose to touch them!
