**Military Psychologists' Desk Reference** From Brand: Oxford University Press, USA

The psychological well-being of servicemen and women returning from war is one of the most discussed and contemplated mental health issues today. Media programs debate the epidemic of PTSD in returning veterans and the potential fallout of a less-than-adequate veteran mental health system. This public discussion is only a small glimpse into the field of military psychology. One of the most diverse specialties within psychology, it is a sector positioned and equipped to influence such concepts as psychological resilience, consequences of extended family stress, the role of technology in mental healthcare delivery, and how to increase human performance under harsh conditions.

*Military Psychologists' Desk Reference* is the authoritative guide in the field of military mental health, covering in a clear and concise manner the depth and breadth of this expanding area at a pivotal and relevant time. Moore and Barnett, former military psychologists, bring together the field's top experts to provide concise and targeted reviews of the most salient aspects of military mental health and present the material in an easily digestible manner. Chapters cover important topics such as military culture, working with Special Operations Forces, professional issues and ethical challenges, women in combat, posttraumatic stress, anxiety and sleep disorders, psychologists' involvement in interrogations, and how to build and sustain a resilient Force, to name but a few. Authors consist of a combination of current and former military psychologists, psychiatrists, social workers and Chaplains, experts from the Department of Veterans Affairs, prominent academicians, and representatives from other governmental and civilian organizations. This comprehensive resource is a must for every military psychologist, as well as for non-military clinicians, researchers, counselors, social workers, educators, and trainees who increasingly need to be familiar with this specialized area of psychology.

## **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Jose Anderson:**

Spent a free time for you to be fun activity to try and do! A lot of people spent their down time with their family, or their own friends. Usually they performing activity like watching television, planning to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own free time/ holiday? Could be reading a book is usually option to fill your totally free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to consider look for book, may be the guide untitled Military Psychologists' Desk Reference can be great book to read. May be it can be best activity to you.

##### **Dustin Davis:**

Why? Because this Military Psychologists' Desk Reference is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining method but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

##### **Dominic Maddock:**

This Military Psychologists' Desk Reference is great guide for you because the content and that is full of information for you who always deal with world and have to make decision every minute. This particular book reveal it information accurately using great plan word or we can declare no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but hard core information with beautiful delivering sentences. Having Military Psychologists' Desk Reference in your hand like having the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen minute right but this guide already do that. So , this is certainly good reading book. Heya Mr. and Mrs. active do you still doubt this?

##### **Emmett Willett:**
