The Great Hunt: Book Two of 'The Wheel of Time' By Robert Jordan

Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters.

The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow.

For centuries, gleemen have told the tales of The Great Hunt of the Horn. So many tales about each of the Hunters, and so many Hunters to tell of...Now the Horn itself is found: the Horn of Valere long thought only legend, the Horn which will raise the dead heroes of the ages. And it is stolen.

Editorial Review

From Library Journal

Chosen by fate to become the Dragon Reborn--savior and destroyer of his world--young Rand al'Thor attempts to outrun his destiny by joining in a mad search for the lost Horn of Valere. Continuing the story begun in *The Eye of the World* (LJ 2/15/90), Jordan creates a lush, sprawling tapestry of a novel in the tradition of Tolkien and Eddings. Recommended where fantasy is popular.

Copyright 1990 Reed Business Information, Inc.

Review

Praise for Book One of *The Wheel of Time*:

"*The Eye of the World* is the best of its genre."--*The Ottawa Citizen*

"A powerful novel of wide and complex scope."--*Locus*

"This looks very like the next major fantasy epic. It has magic and pacing and detail and human involvement, with a certain subtlety of presentation and a grand central vision. Robert Jordan...is a lot of writer!"--Andre Norton

Review

"Jordan has come to dominate the world Tolkien began to reveal....The battle scenes have the breathless urgency of firsthand experience....The evil laced into the forces of good, the dangers latent in any promised salvation, the sense of unavoidable onslaught of unpredictable events bear the marks of American national experience during the last three decades."—*The New York Times*

"Adventure and mystery and dark things that move in the night—a combination of Robin Hood and Stephen King that is hard to resist. Furthermore, Jordan makes the reader put down the book regretting the wait for the next title in the series."—*Milwaukee Journal Sentinel*

"The Wheel of Time is a fantasy tale seldom equaled and still less often surpassed in English." —*Chicago Sun-Times*

"Read by Kate Reading and Michael Kramer, who breathe life into this epic tale." —Patriot News

Users Review

From reader reviews:

Robert Bell:

What do you think of book? It is just for students since they are still students or it for all people in the world, what best subject for that? Just simply you can be answered for that problem above.
