**Trafficking and Prostitution Reconsidered: New Perspectives on Migration, Sex Work, and Human Rights** By Kamala Kempadoo, Jyoti Sanghera, Bandana Pattanaik

Since the 2005 publication of the highly acclaimed first edition of *Trafficking and Prostitution Reconsidered*, human trafficking has become virtually a household phrase. This new edition adds vitally important updates related to recent developments. A new introduction considers the term 'sex trafficking' and its growing use amongst feminist researchers. In a new chapter Ratna Kapur looks at changes in anti-trafficking legislation especially under the Obama administration. Jyoti Sanghera reports from her experience as a UN Human Rights commissioner and Bandana Pattanaik examines feminist participatory research on 'trafficking'. The book concludes with a list of relevant websites, organisations, and publications useful for students, researchers, and activists.

### **Editorial Review**

#### Review

This book will play a significant role in resetting the terms of the debate about prostitution and other forms of sex work.... The grounded analysis provided here is a welcome alternative to the sensationalist stew that pervades mainstream media ... a collection that supports the humanity, agency, and rights of the poor while challenging hegemonic trafficking discourse. --Debi Brock in Resources for Feminist Research

Trafficking and Prostitution Reconsidered provides a unique perspective on issues regarding migration, sex work, and human rights with particular consideration given to a number of countries in Asia.... This book critically assesses and examines the existing international policies on trafficking, while proposing alternatives for future research and possible intervention strategies.... A comprehensive job of exposing a variety of myths and problems within the context of sexual exploitation and capitalism. --Taline Kassabian in Canadian Journal of Sociology Online

The unique contribution of this set of essays is to startle us into looking at the sensationalized problem of sex trafficking in a radically different way. Kamala Kempadoo and her colleagues explode a number of myths and broaden our view to see the problem of sexual exploitation in the larger context of a global capitalism based on forced labor. The writers not only give us a critique of superficial approaches to sexual labor, but point the way to a deeper understanding based on human rights. --Howard Zinn

#### From the Publisher

Contributors: Natasha Ahmad, Vachararutai Boontinand, Lin Chew, Melissa Ditmore, John Frederick, Matthew S. Friedman, Josephine Ho, Jagori, Ratna Kapur, Phil Marshall, Jyoti Sanghera, Susu Thatun
