### Backyards: A Sunset Design Guide By Bridget Bradley, Jeanne Huber

**Sunset** Books' *Design Guides* are a new generation of design books, for the new generation of homeowners. In *Backyards*, author Bridget Bradley offers the ultimate guide to creating a beautiful backyard that fits your home and your budget. You'll get an insiders' peak into building materials preferred by landscaping professionals; opinions on green considerations to learn which materials and practices are truly eco-friendly; plans for an outdoor kitchen, a play area for kids and pets, a backyard greenhouse, and more; plus, you'll experience an interactive view of your backyard space with the 3D design software included with each book. More key features that make this a truly unique tool for backyard design:

- Experienced design and landscaping professionals help you get the backyard you want on a budget you can afford
- Pro-designed patios and gardens show the best ways to pull all the elements together to create a cohesive, comfortable space
- Clear, concise charts make it easy to choose materials based on appearance, durability, ease of installation, and price
- The latest information of green materials, water conservation, and safety issues

Plus, each book comes with *The Sunset Landscape Designer*, interactive design software that is professional, yet easy-to-use.

- Design a backyard with precise tools, then see it from any angle in 3D view
- Control everything from the dimensions of your space to final choices of materials
- Create detailed plans to help with permit applications
- Plus it works for both PC and Mac systems
