Between Two Fires: Europe's Path in the 1930s By David Clay Large

"An evocative re-creation of the European political climate of the 1930s . . . Large does a fine job of connecting these events." ?*Kirkus Reviews*

A collection of essays on various incidents of European history that occurred in the 1930s which build up an image of Europe on the brink. Episodes are linked to illustrate this, such as the Stavinsky affair in France, the murder of Ernst Roehm, and the civil war in the red quarters of Vienna.

Editorial Review

From Publishers Weekly

The collapse of Serge Stavisky's financial empire in France leads off this volume, which includes analyses of Austria's suppressed socialist uprising and Britain's little-known Jarrow Crusade in 1935. "Large . . . illuminates the final years of the interwar period through eight dramatic episodes, each of key significance to the history of 20th-century Europe," said PW. Photos.
