Dark Shadows: The Complete Series Volume 1 By Donald Arneson, Arnold Drake

Hermes Press proudly announces the complete reprint of Gold Key Comics' graphic tie-in of the legendary, supernatural suspense television series, Dark Shadows, in a series of five hardcover volumes. The forerunner to today's immensely popular, vampire-themed television programs and theatrical films, Dark Shadows still garners serious attention as one of the most memorable TV shows of the last forty years. First published from 1968 to 1976, the 35 Gold Key comic books featured in this completely digitally restored collection present archetypal tales of vampires, werewolves, and the supernatural. In addition to reprinting the stories, Hermes Press will supplement each volume with poster art, pin-ups, and documentary material from the show, as well as essays about the history of Dark Shadows.
