## **Editorial Review**

### Amazon.com Review

Kabbalah, the mystical element of Judaism, has undergone an unprecedented surge in popularity in recent years. In *Endless Light* David Aaron, a rabbi who lives in Jerusalem, presents the ancient system as a source of personal and spiritual sustenance. In the kabbalah, the creation of the universe is an ongoing process; thus, Aaron says, we derive happiness from the journey to our goals rather than from reaching our destination. "If you are ready to see [life] as the challenge of any good game--where the challenge *itself* is what makes it fun--then your life will not be static, but a dynamic process of growth," he writes. The philosophy he presents is derived from the Torah and other Jewish texts and traditions, but Aaron makes it comprehensible to anyone seeking a new understanding of God, the world, and themselves.

### Review

"In this religious self-help manual, David Aaron ... taps the great mystical power of the Kabbalah to offer insights into everyday life with love and power."

—**Publishers Weekly**

"It's not just celebrities Diane Ladd, Roseanne, Madonna, Kirk Douglas, and Jeff Goldblum. All types of people, Jews and non-Jews alike, are being drawn to Kabbalah, the Jewish mystical tradition that blends astrology, astral travel, numerology, physics, psychology, reincarnation, and magic. Aaron offers a simplified application of the esoteric teachings to modern situations."

—**The Washington Post**

"Studying with David Aaron, I never cease to be impressed with his ability to entertain and inspire while bringing to life the beautiful, ancient mysteries of the Torah and Kabbalah."

—Kirk Douglas

In today's glutted market of new age spirituality/self-help/self-fulfillment and spiritual leaders/gurus, there's a myriad of religions, sects and pathways on the shelf. BUT, the majority of the world has absolutely no idea what Torah IS, even though it possesses the most universally-embraceable spiritual content on the planet. NO ONE is disseminating Torah's universal message. And NO ONE is communicating it in a way that can connect to the spirituality-seeking 21st century.

Rabbi Aaron's vision is to create a new worldwide spiritual awareness based on Torah secrets. The 'north star' is 'world transformation thru global God consciousness.'
