Essentials of Ear, Nose & Throat By Mohan Bansal

Essentials of Ear, Nose & Throat is an extensive guide to diseases of the ear, nose and throat. The book is divided into nine sections, beginning with history and examination of ENT diseases. Subsequent sections cover the ear, nose and paranasal sinuses, oral cavity and salivary gland, pharynx and oesophagus, larynx, trachea and bronchus, and the neck. Each section includes chapters on anatomy, symptoms and examination, and a broad range of disorders. Each chapter begins with specific learning objectives and questions for students to answer. Important clinical aspects are highlighted by information boxes throughout the book. Each chapter ends with self-evaluation exercises, including MCQs, filling in blanks, and true or false sentences. Some chapters provide additional pearls and problem-oriented cases. The final sections of the book provide information on operative procedures and instruments, and related disciplines such as imaging, radiotherapy, laser surgery, and HIV. Essentials of Ear, Nose and Throat includes nearly 330 full colour images and illustrations, enhancing this ideal resource for undergraduates and ENT residents. Key Points

Extensive guide to the diseases of the ear, nose and throat
Nine sections covering a broad range of disorders
Each chapter provides learning objectives, MCQs and other self-evaluation exercises
328 full colour images and illustrations

Users Review

From reader reviews:

Judith Tate:

People live in this new day of lifestyle always attempt to and must have the free time or they will get lots of stress from both day to day life and work. So , whenever we ask do people have extra time, we will say absolutely indeed. People is human not a robot. Then we inquire again, what kind of activity do you have when the spare time coming to you actually of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, often the book you have read is definitely Essentials of Ear, Nose & Throat.

Noah Hansell:

Playing with family within a park, coming to see the water world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Essentials of Ear, Nose & Throat, you may enjoy both. It is very good combination right, you still would like to miss it? What kind of hangout type is it? Oh seriously its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.

Marie Brenneman:

Many people spending their time period by playing outside together with friends, fun activity with family or just watching TV the whole day. You can have new activity to enjoy your whole day by looking at a book. Ugh, you think reading a book will surely hard because you have to use the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smartphone. Like Essentials of Ear, Nose & Throat which is getting the e-book version. So , why not try out this book? Let's see.

Pat Tran:

Publication is one of source of understanding. We can add our knowledge from it. Not only for students but also native or citizen want book to know the change information of year for you to year. As we know those ebooks have many advantages. Beside many of us add our knowledge, can also bring us to around the world. From the book Essentials of Ear, Nose & Throat we can acquire more advantage. Don't one to be creative

people? Being creative person must prefer to read a book. Just simply choose the best book that suited with your aim. Don't end up being doubt to change your life with this book Essentials of Ear, Nose & Throat. You can more desirable than now.
