Silent Spring By Rachel Carson

Rachel Carson's *Silent Spring* was first published in three serialized excerpts in the *New Yorker* in June of 1962. The book appeared in September of that year and the outcry that followed its publication forced the banning of DDT and spurred revolutionary changes in the laws affecting our air, land, and water. Carson's passionate concern for the future of our planet reverberated powerfully throughout the world, and her eloquent book was instrumental in launching the environmental movement. It is without question one of the landmark books of the twentieth century.

Editorial Review

Amazon.com Review

Silent Spring, released in 1962, offered the first shattering look at widespread ecological degradation and touched off an environmental awareness that still exists. Rachel Carson's book focused on the poisons from insecticides, weed killers, and other common products as well as the use of sprays in agriculture, a practice that led to dangerous chemicals to the food source. Carson argued that those chemicals were more dangerous than radiation and that for the first time in history, humans were exposed to chemicals that stayed in their systems from birth to death. Presented with thorough documentation, the book opened more than a few eyes about the dangers of the modern world and stands today as a landmark work.

Review

Her book is a cry to the reading public to help curb private and public programs which by use of poisons will end by destroying life on earth. ... Miss Carson, with the fervor of an Ezekiel, is trying to save nature and mankind ... -- *The New York Times Book Review*, Lorus Milne and Margery Milne

About the Author

Rachel Carson (1907–1964) spent most of her professional life as a marine biologist with the U.S. Fish and Wildlife Service. By the late 1950s, she had written three lyrical, popular books about the sea, including the best-selling *The Sea Around Us*, and had become the most respected science writer in America. She completed *Silent Spring* against formidable personal odds, and with it shaped a powerful social movement that has altered the course of history.

Users Review

From reader reviews:

Julie Bell:

This book untitled *Silent Spring* to be one of several books that will best seller in this year, here is because when you read this e-book you can get a lot of benefit upon it. You will easily to buy this book in the book shop or you can order it through online. The publisher of the book sells the e-book too. It makes you easier to read this book, since you can read this book in your Cell phone. So there is no reason to you to past this guide from your list.

Louise Villanueva:

Reading a book can be one of a lot of task that everyone in the world likes. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a publication will give you a lot of new information. When you read a publication you will get new information due to the fact book is one of various ways to share the information or their idea. Second, reading a book will make you more imaginative. When you reading through a book especially tale fantasy book the author will bring that you imagine the story how the character types do it anything. Third, you are able to share your knowledge to other folks. When you read this *Silent Spring*, you could tells your family, friends along with soon about yours publication. Your knowledge can inspire the others, make them reading a e-book.

Pedro Murray:

This Silent Spring is great e-book for you because the content which is full of information for you who else always deal with world and get to make decision every minute. That book reveal it info accurately using great organize word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having Silent Spring in your hand like having the world in your arm, facts in it is not ridiculous 1. We can say that no publication that offer you world within ten or fifteen moment right but this publication already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt in which?

Valerie Beauchamp:

Many people spending their time period by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to invest your whole day by studying a book. Ugh, you think reading a book can definitely hard because you have to accept the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smart phone. Like Silent Spring which is having the e-book version. So , try out this book? Let's notice.
