The Devil Who Tamed Her (Reid Family Book 2) By Johanna Lindsey

Johanna Lindsey presents a sparkling, passionate Regency-era novel in which a beautiful but ruthless gossip meets her match in a dashing rake who sets out to change her wicked ways. Featuring two enthralling characters from the unforgettable bestseller *The Heir*, *The Devil Who Tamed Her* is a spirited new tale about the transforming power of true love.

Ophelia Reid is an incomparable beauty with a reputation for starting rumors and spreading them. Having purposely wrecked her engagement to Duncan MacTavish, a future marquis, which her social-climbing father arranged, Ophelia wants to return to London's marriage mart and make her own choice of a wealthy husband. But on her journey home, something unexpected happens....

The heir to a dukedom, Raphael Locke, Viscount Lynnfield is -- in spite of his disinterest in marriage -- the most sought-after young lord in England. He instantly disliked Ophelia when she caused a scandal to avoid marriage to his friend MacTavish, but having comforted her in a tearful moment, he begins to wonder if she's not all bad. So when MacTavish claims that Ophelia will never be anything but a spiteful beauty, Rafe bets his friend that he can turn her into a kindhearted lady who will one day make a good match, just not with him.

With her parents' blessing, Rafe commandeers Ophelia's coach and whisks her -- chaperoned, of course -- to his remote estate in the countryside. There, as he tries to show his furious, sharp-tongued "guest" the error of her ways, he discovers the surprising reasons for her bad behavior. Soon his daily lessons with Ophelia take effect and he finds himself irresistibly attracted to her. When Rafe champions the new and improved Ophelia's re-entry to London society, marriage proposals pour in. Only then does Rafe start to wonder whether he hasn't gone and fallen in love with Ophelia himself.

Wondrously romantic, passionate, and delightfully humorous, *The Devil Who Tamed Her* is proof positive why Johanna Lindsey is among the most widely read and best-loved authors of our time.

Editorial Review

From [Booklist](#)

Ophelia Reid may be the most beautiful woman in England, but she is also the most ill-tempered and self-centered. At least that is the conclusion Raphael Locke, Viscount Lynnfield, reaches when Ophelia breaks her engagement, again, to his friend Duncan. Rafe decides someone needs to teach Ophelia a lesson in manners, and so, after betting Duncan that he can reform the shrewish harridan, Rafe "kidnaps" Ophelia, and takes her, along with his aunt Esmeralda, to his estate in a remote corner of Northumberland. But Ophelia isn't the only one learning a lesson, when Rafe, who has successfully avoided the matchmaking clutches of the town's most determined mothers, discovers he isn't quite as immune to the idea of love as he thought. In her latest elegantly sensual Regency historical, Lindsey deftly brews up a particularly potent blend of sexy chemistry between her expertly matched hero and heroine while skillfully constructing a neat and witty plot.

Charles, John

Review

"Simply riveting.... Excellent." -- *Charleston Gazette* (West Virginia)
