## **The Lucky One** By Nicholas Sparks

In his 14th book, bestselling author Nicholas Sparks tells the unforgettable story of a man whose brushes with death lead him to the love of his life.

Is there really such thing as a lucky charm? The hero of Nicholas Sparks's new novel believes he's found one in the form of a photograph of a smiling woman he's never met, but who he comes to believe holds the key to his destiny. The chain of events that leads to him possessing the photograph and finding the woman pictured in it is the stuff of love stories only a master such as Sparks can write.

### Editorial Review

From Publishers Weekly

U.S. Marine Logan Thibault carries a picture of a woman he's never met because it brings him good luck. But when he sets out to find the woman, he is met with unexpected circumstances surrounding his new love and his shrouded past. Though not Sparks's most original tale, the story flows well and narrator John Bedford Lloyd delivers a solid performance. Lloyd's deep bass tone is perfectly suited for Thibault, a manly man if ever there was one. Lloyd's supporting characters are rich and interesting in their own right, some speaking in comical Southern drawls, others with a raw reality. The final result is quite touching without much over-the-top sentimentality on Lloyd's part. *A Grand Central hardcover. (Sept.)*

### Review

There are only two people who can get away with writing chick-lit: Jodi Picoult and Nicholas Sparks ... Sparks has delivered another brilliantly addictive read \*\*\*\* London Lite A strictly curl-up-on-the-sofa-on-your-own affair ... A guiltier than guilty pleasure - race through it with lots of tissues \*\*\*\* Heat Sparks writes unashamedly romantic novels that make women weak at the knees ... Once again, Sparks certainly flies Closer This one won't leave a dry eye Daily Mirror Book of the Week

### Users Review

#### From reader reviews:

#### Paul Blecha:

Book is to be different for each and every grade. Book for children until eventually adult are different content. As you may know that book is very important normally. The book *The Lucky One* seemed to be making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The publication *The Lucky One* is not only giving you more new information but also to get your friend when you feel bored. You can spend your personal spend time to read your guide. Try to make relationship together with the book *The Lucky One*. You never truly feel lose out for everything should you read some books.

#### Deborah Mazarella:

As people who live in often the modest era should be change about what going on or information even knowledge to make all of them keep up with the era that is always change and move forward. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This *The Lucky One* is our recommendation to make you keep up with the world. Why, because this book serves what you want and want in this era.

**Brian Rankins:**

Spent a free time to be fun activity to do! A lot of people spent their sparetime with their family, or their very own friends. Usually they carrying out activity like watching television, planning to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? May be reading a book may be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of guide that you should read. If you want to consider look for book, may be the e-book untitled The Lucky One can be great book to read. May be it might be best activity to you.

**Judy Washburn:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Lucky One can make you sense more interested to read.
