When The War Was Over: Cambodia And The Khmer Rouge Revolution, Revised Edition By Elizabeth Becker

Award-winning journalist Elizabeth Becker started covering Cambodia in 1973 for *The Washington Post*, when the country was perceived as little more than a footnote to the Vietnam War. Then, with the rise of the Khmer Rouge in 1975 came the closing of the border and a systematic reorganization of Cambodian society. Everyone was sent from the towns and cities to the countryside, where they were forced to labor endlessly in the fields. The intelligentsia were brutally exterminated, and torture, terror, and death became routine. Ultimately, almost two million people—nearly a quarter of the population—were killed in what was one of this century's worst crimes against humanity. *When the War Was Over* is Elizabeth Becker's masterful account of the Cambodian nightmare.

Encompassing the era of French colonialism and the revival of Cambodian nationalism; 1950s Paris, where Khmer Rouge leader Pol Pot received his political education; the killing fields of Cambodia; government chambers in Washington, Paris, Moscow, Beijing, Hanoi, and Phnom Penh; and the death of Pol Pot in 1998; this is a book of epic vision and staggering power. Merging original historical research with the many voices of those who lived through the times and exclusive interviews with every Cambodian leader of the past quarter century, *When the War Was Over* illuminates the darkness of Cambodia with the intensity of a bolt of lightning.

Editorial Review

Amazon.com Review

Elizabeth Becker's *When the War Was Over: Cambodia and the Khmer Rouge Revolution* is a heart-rending history of modern Cambodia--a state whose people have, in the last 30 years, endured war, political upheaval, international betrayal, and genocide. Beginning with the Khmer Rouge overthrow of the U.S.-backed Lon Nol regime in 1975, Becker examines the historical patterns of violence and authority within Cambodian culture that made the Khmer Rouge's slaughter of close to 2 million people possible.

Becker integrates interviews with Cambodian leaders and ordinary citizens with a penetrating analysis of the politics of the cold war and humanitarianism. For example, she follows the story of Mey Komphot, a banker, who, like millions of others, was displaced from his life in Phnom Penh and marched to a labor camp. She also explores how the United States, as well as many states within the United Nations, refused to acknowledge the forced departures and the killing in order to appease China's hunger for punishing Vietnam's 1978 invasion of Cambodia. By contrasting the concerns of states with those of people, Becker shows how the international order has repeatedly betrayed the people of Cambodia. *When the War Was Over* is more than just an authoritative account of the Cambodian Revolution; Becker's trenchant portrait of the dynamics of power and human suffering serves as a warning about how diplomatic imperatives can blunt the United Nations' ability to preserve human rights and life. --*James Highfill*

From the Publisher

"Burns with its own fire, the fire of a dedicated writer who witnessed the incomprehensible and worked long and hard to comprehend it. It is indispensable for understanding our times and the noble and terrible sides of modern man. It is a powerful and important book." (William Broyles, Jr., *The Washington Post Book World*)
"When the War Was Over is an extraordinary synthesis of journalism and scholarship. There's a reportorial immediacy to much of the book while at the same time it has the virtue of historical perspective. . . . This is an important, compelling, often touching book." (Strobe Talbott, author of *Deadly Gambits*) "Becker writes history as history should be written." (*Financial Times*)

From the Author

"The current crisis in Cambodia cannot be understood without a thorough understanding of the Khmer Rouge revolution, which is why I am updating and revising *When the War Was Over*. By bringing the history up to date through the Hun Sen regime, I revisit the many questions still plaguing development and justice in Asia."

Users Review

From reader reviews:

Tammi Kendrick:

As people who live in typically the modest era should be upgrade about what going on or facts even knowledge to make these people keep up with the era that is always change and progress. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know what type you should start with. This *When The War Was Over: Cambodia And The Khmer Rouge Revolution, Revised Edition* is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and need in this era.

Joan Naylor:

The reason why? Because this *When The War Was Over: Cambodia And The Khmer Rouge Revolution, Revised Edition* is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking method. So , still want to postpone having that book? If I were you I will go to the guide store hurriedly.

Catherine Gates:

This *When The War Was Over: Cambodia And The Khmer Rouge Revolution, Revised Edition* is great publication for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This particular book reveal it facts accurately using great plan word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tough core information with splendid delivering sentences. Having *When The War Was Over: Cambodia And The Khmer Rouge Revolution, Revised Edition* in your hand like getting the world in your arm, data in it is not ridiculous a single. We can say that no book that offer you world in ten or fifteen minute right but this book already do that. So , it is good reading book. Heya Mr. and Mrs. active do you still doubt that?

Valeria May:

Many people spending their time frame by playing outside with friends, fun activity using family or just watching TV all day every day. You can have new activity to shell out your whole day by examining a book. Ugh, do you consider reading a book really can hard because you have to take the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Smart phone. Like *When The War Was Over: Cambodia And The Khmer Rouge Revolution, Revised Edition* which is getting the e-book version. So , try out this book? Let's see.
