### **Dead Men's Boots (Felix Castor)** By Mike Carey

You might think that helping a friend's widow to stop a lawyer from stealing her husband's corpse would be the strangest thing on your To Do list. But life is rarely that simple for Felix Castor.

A brutal murder in King's Cross bears all the hallmarks of a long-dead American serial killer, and it takes more good sense than Castor possesses not to get involved. He's also fighting a legal battle over the body - if not the soul - of his possessed friend, Rafi, and can't shake the feeling that his three problems might be related.

With the help of the succubus Juliet and paranoid zombie data-fence Nicky Heath, Castor just might have a chance of fitting the pieces together before someone drops him down a lift shaft or rips his throat out.

Or not. . .

## Editorial Review

From Publishers Weekly

Starred Review. Every bit as good as the better-known Jim Butcher, Carey hits his stride with his third hard-boiled supernatural thriller (after *Vicious Circle*). Felix Fix Castor, a London-based exorcist who uses music to fight evil spirits and other paranormal creatures, faces two major challenges. The burial of Fix's friend John Gittings is disrupted by a lawyer with a court order mandating that the corpse be cremated; Gittings's widow retains Fix to prevent the body's exhumation. Meanwhile, a woman asks Fix to clear her husband of rape and murder charges by proving that Myriam Seaforth Kale, a gangster who's been dead for 40 years, is actually responsible. While looking into how Kale has come back from the dead to resume killing people, Fix finds links to a larger threat from the dark side. Carey has a way with words (a character dresses like someone who'd taken *The Matrix* a little too seriously) as well as a gift for creating a plausible alternate reality. (July)

Review

"Carey transcends his comic roots in this quirky, dark and imaginative tale that compels readers to keep turning pages long after they should have gotten to sleep." (**Kirkus on THE DEVIL YOU KNOW (starred review)**)

"Ingeniously multilayered. Castor's wisecracking cleverness in the face of weird nemeses makes him the perfect hardboiled hero for a new supernatural noir series." (**Publishers Weekly on THE DEVIL YOU KNOW (starred review)**)

"It's Carey's knack for detail that draws you into this wicked world, and it becomes a feast for the senses." (**THE DECATUR DAILY on VICIOUS CIRCLE**)
