Gone Too Far (Troubleshooters, Inc. 6) By Suzanne Brockmann

In her sizzling, award-winning novels of suspense, bestselling author Suzanne Brockmann delves into the adrenaline-rushed world of counter terrorism—and taps into the real passions of its brave men and women. Now in her widely anticipated hardcover debut, she spins a story of action, intrigue, and romance, as a U.S. Navy SEAL and an FBI agent race to unravel a mystery—while confronting their own unresolved feelings for each other. . . .

In his career as one of America's elite warriors, Lt. Sam Starrett can do no wrong. In his private life, Sam—the king of one night stands—has done little right. Now, he's waiting for a divorce and determined to stay active in his young daughter's life. But when Sam shows up at the door of his ex-wife's home in Sarasota, Florida, he makes a grisly discovery. His daughter is gone and the body of a woman lies brutally murdered on the floor.

FBI agent Alyssa Locke's relationship with Sam has been overwhelmingly intense and nearly catastrophic, yet it refuses to end. The last time she saw Sam was six months earlier, when they worked together to stop terrorists from assassinating the U.S. President. Much to her dismay, Alyssa is assigned to lead the murder investigation and once again the two are face to face. When explosive information surfaces linking Sam to the still unsolved assassination plot, the stakes are raised. With her reputation hanging in the balance, and her loyalties in question, Alyssa is faced with an impossible dilemma: arrest a man she believes to be innocent, or risk her career.

While Alyssa tries to fight their intense attraction, Sam is determined to heat things up between them once again. And the complex case pushes them both to the wrong side of the law—and on the run to discover the truth. As more agents step into the chase, and with Sam's daughter still unaccounted for, neither Alyssa nor Sam can predict just how deadly hot this situation is about to become. . . .

A thrilling novel that ranges back into the days of World War II, into friendships, families, liaisons, betrayals, and the code of honor that binds the U.S. Navy SEALs, **Gone Too Far** is an electrifying experience in suspense—and a brilliant tale of lives lived on the edge.

When U.S. Navy SEAL Sam Starrett travels to Florida to try to convince his estranged wife, Mary Lou, to sign their divorce papers, he finds the body of a murdered woman in the house where Mary Lou and their baby, Haley, now live. FBI agent Alyssa Locke is put in charge of the investigation, but her brief yet memorable prior relationship with Sam creates an almost untenable working situation. When a possible tie between Mary Lou and terrorists responsible for an earlier attempt to kill the president in San Diego arises, the case becomes even more complicated. In her latest installment in the Troubleshooter series about the Navy SEALs of Team 16, *New York Times* best-selling and RITA Award-winning Brockmann finally brings Alyssa and Sam together, two tough, smart, stubborn, and surprisingly complex people whose professional and romantic clashes provide plenty of simmering sexual chemistry. In this exceptionally suspenseful tale, Brockmann's sleek combination of taut plotting, superb characterization, and sizzlingly sexy, emotionally intense romance is absolutely addictive. *John Charles*
