Editorial Review

From Publishers Weekly

Derived from the Oxford Encyclopedia of Ancient Egypt, Donald Redford's *The Ancient Gods Speak: A Guide to Egyptian Religion* offers more than 90 articles explaining various features of ancient Egyptian beliefs, including ideas about death and the afterlife, the role of cultic animals and the pantheon of deities. The tone can be dry at times, and one wishes for more illustrations, but serious readers will learn a great deal about this ancient religion.

From Library Journal

The Oxford Encyclopedia of Ancient Egypt (LJ 12/00) has quickly become the authoritative reference work on ancient Egyptian archaeology, culture, and religion. Now its editor, Redford (classical and ancient Mediterranean studies, Pennsylvania State Univ.), has gathered the cream of the crop from that three-volume work into an affordable one-volume guide to ancient Egyptian religion. In this collection of nearly 100 signed (and very readable) articles by noted Egyptologists (vs. 600 in the original), Redford gives the reader a tour of the key elements of Egyptian religion, from belief in the afterlife and burial practices to articles distinguishing the ba, the ka, and the akh from one another. Entries on deities, demons, magic, sacred writings, and legends show that Egyptian religion is one of the chief reasons that everyone from children to scholars are fascinated with ancient Egyptian culture. Moreover, the new introduction for this collection is one of the finest general summaries of Egyptian religion this reviewer has encountered during 30 years as an ancient studies librarian. Move over E.A. Wallis Budge, Adolf Erman, Henri Frankfort, Siegfried Morenz, W.M. Flinders Petrie, and Jan Zandee: a new 21st-century standard reference for Egyptian religion is now available. Highly recommended for both academic and public libraries of all sizes. Gary P. Gillum, Brigham Young Univ. Lib., Provo, UT

From reader reviews:

Natalie Hernandez:

What do you ponder on book? It is just for students since they're still students or this for all people in the world, the particular best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby for every other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book *The Ancient Gods Speak: A Guide to Egyptian Religion*. All type of book could you see on many solutions. You can look for the internet resources or other social media.

Kimberly Kiser:

Do you one among people who can't read pleasurable if the sentence chained within the straightway, hold on guys this kind of aren't like that. This *The Ancient Gods Speak: A Guide to Egyptian Religion* book is readable by means of you who hate the perfect word style. You will find the facts here are arrange for enjoyable looking at experience without leaving also decrease the knowledge that want to supply to you. The writer associated with *The Ancient Gods Speak: A Guide to Egyptian Religion* content conveys prospect easily to understand by a lot of people. The printed and e-book are not different in the content material but it just different as it. So , do you continue to thinking *The Ancient Gods Speak: A Guide to Egyptian Religion* is not loveable to be your top collection reading book?

Jennifer Shipley:

Information is provisions for folks to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is inside the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take *The Ancient Gods Speak: A Guide to Egyptian Religion* as the daily resource information.

Ali Ellison:

Exactly why? Because this *The Ancient Gods Speak: A Guide to Egyptian Religion* is an unordinary book that the inside of the book waiting for you to snap the item but latter it will surprise you with the secret this inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the guide store hurriedly.
