The Princess Diaries, Volume VII: Party Princess By Meg Cabot

Princesses just want to have fun.

. . . And Mia does too, despite the fact that the student government over which she presides is suddenly broke. But Grandmère's got a wacky scheme to raise the money, catapult Mia to theatrical fame, and link her romantically with an eligible teen bachelor who's not her boyfriend. No wonder Michael seems to think she's a psycho, or worse: not much fun. Is it possible that Mia, soon-to-be star of the stage, president of the student body, and future ruler of Genovia, doesn't know how to party?

Editorial Review

From [Booklist](#)

Gr. 5-8. Class president (and princess) Mia Thermopolis is in hot water when it is discovered that the purchase of new recycling containers has wiped out the funds needed for commencement. Her grandmother decides to help by producing a school musical starring a very reluctant Mia. Mia's quandaries are less involving here than in previous books in the series, but readers will still enjoy this seventh cast reunion.
