Editorial Review

About the Author

Rod Gill, founder of New Zealand based ACE Project System Ltd., has been involved with project management his entire career and with the advanced use of Microsoft Project since its first release. Along with project management training, consulting, and Project Server implementations, Rod has a regular sideline in VBA development, mostly for Microsoft Project. Rod was drawn to VBA development and the challenge of integrating Microsoft Project with other systems after 8 years of software engineering. Rod is a long-time Microsoft Project Most Valuable Professional (MVP), first winning this prestigious technical award in 1998 for his contributions to the Microsoft communities. Rod's passion for Microsoft Project and Project VBA and for helping others has kept him in the forefront of using Microsoft Project.

Users Review

From reader reviews:

Charles Eiland:
