Western Civilization: Volume I: To 1715 (with InfoTrac) By Jackson J. Spielvogel

This is Volume I (chapters 1-16) of the best-selling Western civilization text that has helped hundreds of thousands of students learn about the present by exploring the past. Jack Spielvogel's engaging, chronological narrative weaves the political, economic, social, religious, intellectual, cultural, and military aspects of history into a gripping story that is as memorable as it is instructive. Each chapter offers a substantial introduction and conclusion that sparks students' imaginations by giving them a context within which to understand these disparate themes. And while the single-author narrative makes it easy for students to follow the story of Western civilization, Spielvogel has included dozens of maps and primary sources--including official documents, poems, and songs--that enliven the past while introducing students to the challenges involved in interpreting history. Available in many split options: WESTERN CIVILIZATION, Comprehensive, Fifth Edition (Chapters 1-29), ISBN: 0534600069; WESTERN CIVILIZATION, Volume I, To 1715, Fifth Edition (Chapters 1-16), ISBN: 0534600077; WESTERN CIVILIZATION, Volume II, Since 1550, Fifth Edition (Chapters 13-29), ISBN: 0534600085; WESTERN CIVILIZATION, Volume A: To 1500, Fifth Edition (Chapters 1-12), ISBN: 0534529496; WESTERN CIVILIZATION, Volume B: 1300-1815, Fifth Edition (Chapters 11-19), ISBN: 053452950X; WESTERN CIVILIZATION, Volume C: Since 1789, Fifth Edition (Chapters 19-29), ISBN: 0534529526; WESTERN CIVILIZATION, Since 1300, Fifth Edition (Chapters 11-29), ISBN: 0534

Editorial Review

Review

"The faculty who adopted Spielvogel ... did so because the text read clearly and told a coherent story of historical change and development. Students comment that the text is well written, clearly organized, and interesting. Chapter titles and major headings mark chronological and thematic connections but place greatest emphasis on the conceptual development. ... National histories are mentioned but do not dominate; and art, literature, and music are not ignored. ... The special features are one of the greatest strengths of Spielvogel."

"The chronologies, timelines, and boxed documents all add greatly to the overall quality of the text. My students would be lost without them. ... I like this text and expect to continue to use it for the next several years."

"The Spielvogel text does a good job of communicating with students. The vocabulary ... is not too difficult, and the literary style is almost conversational."

"Dr. Spielvogel's lucid prose, apt illustrations, and excellent maps make his a text for which I find it difficult to imagine finding a close rival. ... The coherence resulting from its being a single-author text is valuable in a general education course. ... It is a very impressive textbook and the author and publisher alike ought to take great pride in their work. ... I would not only consider adopting Jackson J. Spielvogel's WESTERN CIVILIZATION text, but would, furthermore, actively lobby for its adoption for use at our university. A wealth of information in keeping with the scholarship at our disposal is presented in an appealing format. Never sacrificing well-written content, the text appeals to a generation reared on media in living color."
