**Alex + Ada Volume 1 (Alex + ADA Tp)** By Jonathan Luna, Sarah Vaughn

"Though this is a fairly classic sci-fi story line, Luna and Vaughn's sensitive plot and careful pacing keep it exciting, especially as they strip away preconceived notions and use the tale to examine the complexities of what it is to be human. Luna's spare illustrations match the plot perfectly, particularly his ability to bring nuance and feeling to faces rendered in a very simple style. Fans of Brian K. Vaughn's *Saga* or anyone who loves a good sci-fi tale will find plenty of thought-provoking stuff here." - *Booklist*

"Luna's artwork possesses a beautiful simplicity that reinforces the importance of the characters to the narrative." - *Library Journal*

From JONATHAN LUNA (GIRLS, THE SWORD, Spider-Woman, ULTRA) and SARAH VAUGHN (Sparkshooter) comes ALEX + ADA, a sci-fi drama set in the near future. The last thing in the world Alex wanted was an X5, the latest in realistic androids. But when Ada is dropped into his life, he discovers she is more than just a robot.? This will be JONATHAN LUNA's return to comics after three years off since the end of THE SWORD!
