Editorial Review

About the Author

Nancy Madore achieved enormous critical acclaim with her 'Enchanted' series with Harlequin, which includes *Enchanted*, *Enchanted Again* and *Enchanted Dreams*.

The Ethics of Judge Nadeau represents a diversion for Madore that was brought about by true life events. In her first work of non-fiction, Madore unravels a drama that is much stranger than fiction. This true life account of sex, betrayal and corruption within our legal system is sure to shock, provoke and amuse.

In her exciting new 'Legacy of the Watchers' series, Madore incorporates her love of ancient history and mythology into a modern day mystery that connects the dots from the past to the present--and reveals an explosive future. There are three installments in this speculative fiction series so far: *The Hidden Ones*, *Power of Gods* and *Masquerade*. Madore is currently working on *The Fourth Trumpet*.
