Chango's Beads and Two-Tone Shoes: A Novel By William Kennedy

Selected by *The New York Times Book Review* as a **Notable Book of the Year**

From the Pulitzer Prize-winning author of *Ironweed*, a dramatic novel of love and revolution from one of America's finest writers.

When journalist Daniel Quinn meets Ernest Hemingway at the Floridita bar in Havana, Cuba, in 1957, he has no idea that his own affinity for simple, declarative sentences will change his life radically overnight.

So begins William Kennedy's latest novel—a tale of revolutionary intrigue, heroic journalism, crooked politicians, drug-running gangsters, Albany race riots, and the improbable rise of Fidel Castro. Quinn's epic journey carries him through the nightclubs and jungles of Cuba and into the newsrooms and racially charged streets of Albany on the day Robert Kennedy is fatally shot in 1968. The odyssey brings Quinn, and his exotic but unpredictable Cuban wife, Renata, a debutante revolutionary, face-to-face with the darkest facets of human nature and illuminates the power of love in the presence of death.

Kennedy masterfully gathers together an unlikely cast of vivid characters in a breathtaking adventure full of music, mysticism, and murder—a homeless black alcoholic, a radical Catholic priest, a senile parent, a terminally ill jazz legend, the imperious mayor of Albany, Bing Crosby, Hemingway, Castro, and a ragtag ensemble of radicals, prostitutes, provocateurs, and underworld heavies. This is an unforgettably riotous story of revolution, romance, and redemption, set against the landscape of the civil rights movement as it challenges the legendary and vengeful Albany political machine.

Editorial Review

Review

"His most musical work of fiction: a polyrhythmic contemplation of time and its effects on passion set in three different eras . . . this is not a book a young man would or could write. There is the sense here of somebody who has seen and considered much, without letting his inner fire cool . . . the ambition and the ability to pull wildly diverse worlds together in a single story is rare. Kennedy, master of the Irish-American lament in works like *Billy Phelan's Greatest Game* and *Ironweed*, proves here he can play with both hands and improvise on a theme without losing the beat." — **John Sayles, *The New York Times Book Review* (front page)**

"Written with such brio and encompassing humanity that it may well deserve to be called the best of the bunch . . . In Mr. Kennedy's Albany, as in William Faulkner's Yoknapatawpha County, the past is never past. *Changó's Beads and Two-Tone Shoes* is invigorated by this same blending of new and old, of progress and recurrence . . . there's more shot and incidence in *Changó* than in any novel of Mr. Kennedy's since *Legs* . . . the style here has the sleekness and strength of good crime noir." — **Sam Sacks, *Wall Street Journal***

"Vivid and charming . . . Kennedy, now in his 80s, is in the embrace of nostalgia as he looks back on the adventures of his youth, and this gives the novel much of its not inconsiderable appeal . . . He is a fluid, engaging prose stylist, and frequently a witty one . . . Kennedy has maintained a high level of achievement throughout [his Albany Cycle], deftly blending comedy and drama as, over the years, he has painted a portrait of a single city perhaps unique in American fiction." — **Jonathan Yardley, *The Washington Post***

"Kennedy's humor is sly and wonderful . . . there's an almost deliriously rich cast of lowlifes here: gun runners, politicians on the make, street- corner agitators, prostitutes, winos . . . Kennedy's] description of Hemingway . . . is well-nigh perfect." — **Kate Tuttle, *The Boston Globe***

"A rich, rewarding novel that reads like a three-act play, spanning the years from 1936 to 1968, with several forms of revolution serving as narrative threads . . . The novel is as intricate as it is brilliant." --Betsy Willeford, *The Miami Herald*
