IB Course Companion: Economics Second Edition (International Baccalaureate) By Jocelyn Blink, Ian Dorton

The new edition of this bestselling Course Companion has been specifically designed to support the student through the IB Diploma Programme in Economics.

Written by experienced authors and examiners for the 2011 syllabus content, this book provides students with materials and activities that will help them towards success in the course. It also offers advice and guidance to help students address the new quantitative elements of the syllabus. It now comes with even more material on a brand new student CD-ROM, offering 17 handy revision sheets, specimen papers, a glossary and weblinks for further research.

In addition the book provides activities integrated with study and learning approaches, TOK, and the IB learner profile to ensure that students are fully rounded participants in the programme. Examples, features, and case studies drawn from around the world will also encourage students to develop an international perspective.

Editorial Review

Users Review

From reader reviews:

Michael Johnson:

Book is to be different for each and every grade. Book for children till adult are different content. We all know that that book is very important normally. The book IB Course Companion: Economics Second Edition (International Baccalaureate) was making you to know about other know-how and of course you can take more information. It is rather advantages for you. The e-book IB Course Companion: Economics Second Edition (International Baccalaureate) is not only giving you a lot more new information but also for being your friend when you really feel bored. You can spend your spend time to read your book. Try to make relationship together with the book IB Course Companion: Economics Second Edition (International Baccalaureate). You never feel lose out for everything when you read some books.

Rene Moore:

Do you among people who can't read pleasant if the sentence chained inside the straightway, hold on guys this particular aren't like that. This IB Course Companion: Economics Second Edition (International Baccalaureate) book is readable through you who hate those straight word style. You will find the facts here are arrange for enjoyable reading experience without leaving perhaps decrease the knowledge that want to provide to you. The writer regarding IB Course Companion: Economics Second Edition (International Baccalaureate) content conveys the thought easily to understand by most people. The printed and e-book are not different in the information but it just different by means of it. So , do you continue to thinking IB Course Companion: Economics Second Edition (International Baccalaureate) is not loveable to be your top listing reading book?

Nora Mickey:

IB Course Companion: Economics Second Edition (International Baccalaureate) can be one of your beginning books that are good idea. All of us recommend that straight away because this guide has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort to put every word into joy arrangement in writing IB Course Companion: Economics Second Edition (International Baccalaureate) although doesn't forget the main level, giving the reader the hottest and also based confirm resource information that maybe you can be one of it. This great information can easily drawn you into brand new stage of crucial thinking.

Jesse Hooker:

This IB Course Companion: Economics Second Edition (International Baccalaureate) is great book for you because the content that is certainly full of information for you who also always deal with world and still have to make decision every minute. This particular book reveal it data accurately using great plan word or we can point out no rambling sentences included. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but difficult core information with attractive delivering sentences. Having IB Course Companion: Economics Second Edition (International Baccalaureate) in your hand like getting the world in your arm, facts in it is not ridiculous 1. We can say that no reserve that offer you world in ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Hello Mr. and Mrs. active do you still doubt that will?
