## **Editorial Review**

### **Review**

"[A] visionary critique of classical music's industrial-capitalist apparatus . . . Deeply thoughtful and broadly informed." --Robert Christgau, Village Voice

### **From the Publisher**

5 1/2 x 8 1/2 trim. LC 96-20010

### **From the Back Cover**

Cited by Soundpost as "remarkable and revolutionary" upon its publication in 1977, *Music, Society, Education* has become a classic in the study of music as a social force. Christopher Small sets out to examine the social implications of Western classical music, effects that until recently have been largely ignored or dismissed by most musicologists. He strives to view the Western musical tradition "through the mirror of these other musics (Balinese and African) as it were from the outside, and in so doing to learn something of the inner unspoken nature of Western culture as a whole".

## **Users Review**

### **From reader reviews:**

#### **Heather Sessoms:**

Nowadays reading books become more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want send more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining like comic or novel. The *Music, Society, Education (Music Culture)* is kind of e-book which is giving the reader capricious experience.

#### **Belinda Bedard:**
