From the Back Cover

Learn at your own pace with the guidebook that has sold over 200,000 copies

How does kinesialgia occur? What does "arthrotomy" mean? Quick Medical Terminology answers these questions and many more. Using a unique word-building system that begins with a review of Greek and Latin word roots, this book provides the tools necessary for building and sustaining a large working repertoire of medical terms. Step by step, it will help you understand the simple logic behind hundreds of seemingly incomprehensible words.

Like all Self-Teaching Guides, Quick Medical Terminology allows you to build gradually on what you have learned—at your own pace. Questions and self-tests reinforce the information in each chapter and allow you to skip ahead or focus on specific areas of concern. Packed with current information, helpful review exercises, and up-to-date examples, this accessible guide is an essential resource for practitioners and students who need to expand, improve, or refresh their medical vocabularies.

- Expand your working medical vocabulary with the latest terms
- Master the most up-to-date techniques for learning new words
- Learn all the essential Greek and Latin building blocks

About the Author

SHIRLEY SOLTESZ STEINER, M.S., R.N., is an Instructional Technologist who has worked with leading corporations and innovators in the training field, including AT&T, Media Medica, Inc., and MetroMedia. She brings more than twenty years of experience to the design and development of self-instructional, classroom, and on-the-job training programs.

NATALIE PATE CAPPS, M.N.Sc., R.N., is a Clinical Assistant Professor at the University of Arkansas for Medical Sciences (UAMS) College of Nursing. She is an Advisory Board Member at the Association of Women's Health, Obstetrics, and Neonatal Nurses for the state of Arkansas and an Advisory Board Member at the UAMS Women's Health Nurse Practitioner Graduate Program. In 2007, the National Student Nurses Association awarded the Breakthrough to Nursing Award to the Medical Service Outreach Program, which she created to provide medical care in developing countries.

### **Users Review**

**From reader reviews:**

**Emily Higginbotham:**

In this 21st century, people become competitive in each way. By being competitive now, people have do something to make these survives, being in the middle of typically the crowded place and notice by means of surrounding.
