Editorial Review

Review

"Tales of Tamriel is a wonderful companion book to The Elder Scrolls universe, rich with intriguing historical back story and gorgeous, immersive artwork. It's a must-have collectible reference for dedicated Elder Scrolls Online players, and for general series enthusiasts who prefer their Elder Scrolls games single player à la Morrowind, Oblivion, and Skyrim, this is the best possible way to catch up on the lore missed by not sinking fully into the MMORPG-ized game." - VG Blogger

"A fine introduction for player's (sic) looking to get a crash course on the rich tapestry of Tamriel's history."
- Hey Poor Player

About the Author

Bethesda Softworks has been a developer and publisher of interactive content for over two decades. Their stable of games includes critically and commercially praised franchises such as Fallout, Doom, Wolfenstein, Dishonored and The Elder Scrolls - the latter being the bestselling fantasy video game series of all time.

Users Review
