The Neutronium Alchemist (The Night's Dawn) By Peter F. Hamilton

The ancient menace has finally escaped from Lalonde, shattering the Confederation's peaceful existence. Those who succumbed to it have acquired godlike powers, but now follow a far from divine gospel as they advance inexorably from world to world.

On planets and asteroids, individuals battle for survival against the strange and brutal forces unleashed upon the universe. Governments teeter on the brink of anarchy, the Confederation Navy is dangerously over-stretched, and a dark messiah prepares to invoke his own version of the final Night.

In such desperate times the last thing the galaxy needs is a new and terrifyingly powerful weapon. Yet Dr. Alkad Mzu is determined to retrieve the Alchemist -- so she can complete her thirty-year-old vendetta to slay a star. Which means Joshua Calvert has to find Dr Mzu and bring her back before the Alchemist can be reactivated.

But he's not alone in the chase, and there are people on both sides who have their own ideas about how to use the ultimate doomsday device.

THE NEUTRONIUM ALCHEMIST is the second novel in the Night's Dawn Trilogy, an extraordinary feat of storytelling on a truly epic scale.

Editorial Review

From Publishers Weekly

This enormous middle volume of the *Night's Dawn* trilogy, first published in the 1990s, is a solid space opera best suited to readers familiar with the first book, *The Reality Dysfunction* (republished in 2009), and who have a lot of time on their hands. The sprawling 27th-century epic mainly focuses on the struggles of humanity against people possessed by the spirits of the dead. When Chicago gangster Al Capone is revived, he uses his organizational skills to plot the spirits' conquest. Separately, scientist Alkad Mzu seeks revenge on the planet that destroyed her own with a weapon of mass destruction that she developed. An enormous cast of characters and an introductory time line that doesn't cover the events of the first book will leave newcomers floundering, and readers expecting gripping moral dilemmas or complex philosophical discussions will be disappointed by the focus on violence (including several sexual assaults) and intrigue. (Jan.)

Review

"[A] solid space opera best suited to readers familiar with the first book, *The Reality Dysfunction*." --- Publishers Weekly

About the Author

Peter F. Hamilton was born in Rutland, England in 1960. He began writing in 1987, and sold his first short story to *Fear* magazine in 1988. He has also been published in *Interzone* and the *In Dreams* and *New Worlds* anthologies, and several small press publications. His first novel was *Mindstar Rising*, published in 1993, and he has been steadily productive since then. Peter lives near Rutland Water with his wife and two children.

Users Review

From reader reviews:

Irene Vaughan:

People live in this new moment of lifestyle always try to and must have the extra time or they will get great deal of stress from both everyday life and work. So , when we ask do people have extra time, we will say absolutely sure. People is human not a robot. Then we request again, what kind of activity have you got when the spare time coming to a person of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the book you have read is usually *The Neutronium Alchemist (The Night's Dawn)*.

Brittany Belliveau:

Playing with family inside a park, coming to see the sea world or hanging out with friends is thing that usually you might have done when you have spare time, in that case why you don't try point that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love *The Neutronium Alchemist (The Night's Dawn)*

Dawn), you may enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't get it, oh come on its referred to as reading friends.

Lila Johnson:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Neutronium Alchemist (The Night's Dawn) can make you feel more interested to read.

Mindy Hicks:

A number of people said that they feel bored when they reading a publication. They are directly felt this when they get a half parts of the book. You can choose typically the book The Neutronium Alchemist (The Night's Dawn) to make your own reading is interesting. Your current skill of reading talent is developing when you just like reading. Try to choose straightforward book to make you enjoy to learn it and mingle the sensation about book and studying especially. It is to be initial opinion for you to like to open a book and examine it. Beside that the book The Neutronium Alchemist (The Night's Dawn) can to be your brand-new friend when you're really feel alone and confuse with the information must you're doing of this time.
