Adomnan of Iona: Theologian, Lawmaker, Peacemaker From Four Courts Press

The abbot of Iona in the late 7th century, Adomnan, a kinsman of the founder St. Columba, was one of the most remarkable thinkers of his era. The author of the magnificent *Life of Columba*, as well as a widely-influential guide to the Holy Places of the Near East, he was also responsible for the celebrated *Cain Adomnain* - a ground-breaking law tract on the protection of non-combatants. Adomnan was also a major figure in the Easter Controversy and his scholarship directly influenced that of Bede. The studies in this volume, arising from a conference held on Iona on the 13th centenary of Adomnan's death, celebrate his achievements.
