Alien Mate By Eve Langlais

They're big, they're blue, and they're taking earthling females as mates.

Alien Mate 1 - Diana is ironing her underwear when the hottest blue babe in the galaxy appears in her living room--naked. Abducted, decontaminated, and dressed like a harem girl, she's been chosen to become the alien's mate.

Alien Mate 2 - Maya's been raised to believe in extra-terrestrials and when she saves a sexy blue one from drowning, she can't resist taking him home--and into her bed.

Alien Mate 3 - Abducted by a hunky blue alien, researcher and admitted geek Penny is eager to study his mating habits--in the flesh. She'd like to blame her illogical affection for him on hormones, but the erotic remedy just heightens her chemical imbalance.

From the white sands of New Mexico, to the Xamian home planet, and the vast galaxy in between, three different tales of alien love with a large dose of humor--and probing.

Editorial Review

About the Author

New York Times and USA Today Bestseller

Hello, my name is Eve and I am a Canadian author who loves to write hot romance. I possess a twisted imagination and a sarcastic sense of humor which tends to heavily influence my stories. I enjoy strong alpha male heroes, and shifters. Lots of big, overprotective shifters that need a strong woman to temper their wild side--and unleash the lover.

I love to write, and while I don't always know what my mind is going to come up with next, I can promise it will be fun, probably humorous and most of all romantic, because I love a happily ever after.
