Editorial Review

Review

I love to give a letter lesson to Leela. Her favorite picture is the octopus. We like to play.. I spy with my little eye something that starts with b. --Anya P. Miss Rhonda's student

We used the cards to play a matching game with Tony. It was a fun way for him to learn the sounds of each letter. We wrote the letter on the back of each picture so he could check accuracy for himself. It was a great way to increase his accuracy and confidence. --Deb B.

About the Author

Rhonda Lucadamo has had 25 years of teaching experience at Casa Montessori School in Marietta Georgia. The Miss Rhonda's Readers line of books and cards were developed due to Miss Rhonda's frustration with a child's first experience reading a book. Such an exciting moment and a book about a rat in a van with ham doesn't do it justice. After hand writing individual stories for each child , Miss Rhonda's Readers SET ONE was published. The rest is history. Miss Rhonda's students still test out each new story. Caterpillars and frogs still occasionally roam free in the classroom. Children still joyfully come to school each morning and Miss Rhonda is still inspired by it all.
