Color Magic for Beginners (For Beginners (Llewellyn's)) By Richard Webster

From our clothes to the color of our bedroom walls, we are surrounded by colors that influence our mood, energy level, creativity, and overall well being. Richard Webster offers an astonishing number of ways to use stimulating reds, soothing blues, and every other color of the rainbow to our advantage.

Webster begins with an overall picture of each color's major aspects?its psychological influence, healing qualities, emotional impact, and magical characteristics. From there, readers learn a multitude of color-based techniques involving astrology, the aura, candle magic, chakras, color rituals, crystals and gemstones, feng shui, flower magic, mandalas, meditation, numerology, and visualization. Webster demonstrates how color can be used to attract good luck, heal illness, reduce stress, create harmony in the home, overcome depression, solve problems, and magically enhance one's life in a variety of ways.
