Editorial Review

From Publishers Weekly

"Spotlighting some unavoidable trouble spots, the Browns impart valuable tactics for coping with rejection, shyness, arguments, etc.," said PW. Ages 4-8.

From School Library Journal

Kindergarten-Grade 3-Similar in style to the Browns' *Dinosaurs Divorce* (Atlantic Monthly, 1986), this picture book offers kids practical suggestions about resolving arguments, getting over being shy, handling bossy children and bullies, and more. The easy-to-read text contains many examples of how to be a friend, each paired with a picture of two or more dinosaurs in that particular situation. For example, "You can protect a friend if someone starts bothering him" is illustrated with a dinosaur saying, "Stop it! Leave him alone!" to a bully. Marc Brown's colorful, whimsical cartoons are integral to the appeal of the book. The front endpapers feature suggestions from a third-grade class on "Ways to Be a Friend" ("Be helpful," "Take turns," etc.) along with drawings of happy dinosaur faces, while at the back, "Ways Not to Be a Friend" ("Make mean faces," "Call them a name they don't like," etc.) are illustrated with grumpy faces. While there are many wonderful stories that deal with friendship, few give direct advice to children about what to do and what not to do. Sure to be a hit without hitting readers over the head with message.

Ages 5⁺-8. From the authors of *Dinosaurs Die* and *What's the Big Secret?*, here's a very practical resource about the ins and outs of friendship. Ink drawings washed with bright colors provide lively scenes of dressed, humanoid dinosaurs (or, perhaps, people with green skin and tails) learning the ins and outs of friendship. Topics include feeling shy, approaching others in a friendly way, dealing with bossy kids and bullies, talking through arguments, and making up after a quarrel. While the authors are presenting their sound advice, the cartoon-like characters are talking too, through speech balloons that make the same points in more accessible ways and express the characters' feelings clearly. Parents and primary-grade teachers looking for materials on friendship will find this a good complement to the many picture books about friends. *Carolyn Phelan*
