The Waves By Virginia Woolf

One of Woolf's most experimental novels, *The Waves* presents six characters in monologue - from morning until night, from childhood into old age - against a background of the sea. The result is a glorious chorus of voices that exists not to remark on the passing of events but to celebrate the connection between its various individual parts.

Editorial Review

Review

"Together these ten volumes make an attractive and reasonably priced (the volumes vary between £3.99 and £4.99) working edition of Virginia Woolf's best-known writing. One can only hope that their success will prompt World's Classics to add her other essays to the series in due course.' Elisabeth Jay, Westminster College, Oxford, *Review of English Studies*, Vol. XLV, No. 178, May '94

From the Back Cover

"Clear, bright, burnished, at once marvelously accurate and subtly connotative. The pure, delicate sensibility found in this language and the moods it expresses are a true kind of poetry." – *The New York Times*

The Waves is often regarded as Virginia Woolf's masterpiece, standing with those few works of twentieth-century literature that have created unique forms of their own. In deeply poetic prose, Woolf traces the lives of six people from infancy to death as they fleetingly unite around the unseen figure of a seventh, Percival. Allusive and mysterious, *The Waves* yields new treasures upon each reading.

Virginia Woolf (1882-1941), one of the major literary figures of the twentieth century, transformed the art of the novel. The author of numerous novels, collections of letters, journals, and short stories, she was an admired literary critic and a master of the essay form.

Mark Hussey, general editor of Harcourt's annotated Woolf series, is professor of English at Pace University in New York City and editor of the *Woolf Studies Annual*.

Molly Hite is professor of English at Cornell University. She is the author of *Ideas of Order in the Novels of Thomas Pynchon*, *The Other Side of the Story: Structures and Strategies of Contemporary Feminist Narrative*, and two novels, *Class Porn* and *Breach of Immunity*. She has written articles on postmodernist and modernist fiction, feminist theory and practice, and academic culture.

About the Author

VIRGINIA WOOLF (1882–1941) was one of the major literary figures of the twentieth century. An admired literary critic, she authored many essays, letters, journals, and short stories in addition to her groundbreaking novels.

Users Review

From reader reviews:

Jennifer Phinney:

Do you among people who can't read satisfying if the sentence chained in the straightway, hold on guys this specific aren't like that. This *The Waves* book is readable by simply you who hate the perfect word style. You will find the data here are arrange for enjoyable studying experience without leaving perhaps decrease the knowledge that want to provide to you. The writer regarding *The Waves* content conveys the thought easily to understand by many people. The printed and e-book are not different in the content but it just different available as it. So , do you nevertheless thinking *The Waves* is not loveable to be your top list

reading book?

Gussie Steller:

Exactly why? Because this *The Waves* is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of rewards than the other book include such as help improving your expertise and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the reserve store hurriedly.

Joseph Franson:

Do you really one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you never know the inside because don't determine book by its include may doesn't work is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside search likes. Maybe you answer is usually *The Waves* why because the amazing cover that make you consider regarding the content will not disappoint you actually. The inside or content is fantastic as the outside or even cover. Your reading sixth sense will directly guide you to pick up this book.

Debbie Yarborough:

This *The Waves* is great e-book for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. That book reveal it info accurately using great manage word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having *The Waves* in your hand like finding the world in your arm, details in it is not ridiculous one particular. We can say that no book that offer you world within ten or fifteen minute right but this e-book already do that. So , this is good reading book. Hello Mr. and Mrs. active do you still doubt which?
