Military Uniforms Visual Encyclopedia By Chris McNab

Military Uniforms Visual Encyclopedia is a highly illustrated volume that examines all the significant uniforms of the world, featuring more than 1000 of the world's soldiers from the first professional armies to the present day. All the most famous types of uniform are featured, such as the British redcoat, the American GI, the German stormtrooper and the Soviet infantryman, along with some more unusual examples that are much less well known.

Each featured uniform is illustrated with an excellent full-color artwork, showing the figure in great detail with full specifications tables that list country of origin and relevant points of interest in the uniform and equipment carried (with all weights and measures provided in both metric and imperial). With more than 1000 outstanding color artworks, Military Uniforms Visual Encyclopedia is a comprehensive and accessible reference work that will appeal to anyone with an interest in military matters.

Editorial Review

Review

“Offering 650 color illustrations total, plus a few photos, this visual reference presents chronological entries on military uniforms worn in specific conflicts around the world, from the 18th century through the present conflicts in Iraq and Afghanistan. Each entry's high-quality, photorealistic illustrations are accompanied by descriptions and info on country, date, and theater of the war. Entries focus mostly on uniforms, but some weapons and equipment are illustrated. The book includes a brief introduction on the origins of military uniforms and their development through history, plus a glossary.” (*Book News*)

“...attractive volume....those interested in the uniforms of military personnel from around the world, especially those who served during the period from World War II to the present, will find much to enjoy within its pages (*Journal of America's Military Past*)

...highly recommended for military hobbyists and as a reference source to anyone interested in the history of the uniform. (*Mataka.org*)

“Accompanied by a timeline the illustrations spare no detail to when it comes representing military uniforms along with weapons, insignia and transports supported by extensive text descriptions and historical context. It's the best book of its kind that I've ever seen. If you're looking for a great book on military uniforms this one will 'suit' you just fine.” (*Boyce McClain's Collectors' Corner*)

Users Review

From reader reviews:

Jonathan Garcia:

Book is to be different for each and every grade. Book for children until adult are different content. To be sure that book is very important for us. The book *Military Uniforms Visual Encyclopedia* ended up being making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The publication *Military Uniforms Visual Encyclopedia* is not only giving you considerably more new information but also being your friend when you truly feel bored. You can spend your spend time to read your book. Try to make relationship while using book *Military Uniforms Visual Encyclopedia*. You never experience lose out for everything in case you read some books.

Roxanne Mazon:

Often the book *Military Uniforms Visual Encyclopedia* will bring someone to the new experience of reading a book. The author style to clarify the idea is very unique. In the event you try to find new book to see, this book very ideal to you. The book *Military Uniforms Visual Encyclopedia* is much recommended to you to

learn. You can also get the e-book from your official web site, so you can more readily to read the book.

Earl Wright:

Reading a publication tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their reader with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write on their book. One of them is this Military Uniforms Visual Encyclopedia.

Scott Harrington:

Playing with family in a park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Military Uniforms Visual Encyclopedia, you could enjoy both. It is fine combination right, you still desire to miss it? What kind of hangout type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its referred to as reading friends.
