### Paradox - The Angels Are Here (Paradox series Book 1) By Patti Roberts

Two mysterious strangers arrive just in time to help Grace Connors as she struggles to cope with the death of her father. But are the intentions of these strangers as innocent as they first seem, or is something far more sinister on their agenda?

Meanwhile, in a faraway realm, a race of fallen Angels clash with a ruling house of Angels. Their battle changes events in the Ancient World and the New World forever. A realm where a year can last centuries and an ancient, magical people still rule... A realm where even the immortals face danger.

A story that will indeed leave you asking... Who, When, Where? WHAT!

My name is Juliette. Nine hundred years ago, I died. Today, I am alive... This is my story.

### Editorial Review

Review

- Novella - and introduction into the Paradox Series of books.

The first thing that I truly liked about it is the style of the writing; it instilled in me the acute sense of being present to something quite wonderful. For me, the writing here scores a lot of points. L.E. Olteano

You have the knack of making your characters come alive right from the start.

Author of bestselling psychological thriller Cut Short.

--Leigh Russell

This is great! I had tears in my eyes. The more I read, the more interesting it became.

--Glenda Ward

I wasn't supposed to read this book until I finished two others I had in front of it. After a peak inside I was sucked in and finished the book in one evening. -Julia Crane.

**The Author did a fantastic job of catching my imagination and giving me a glimpse as to who and what Guardian Angels are. Readers will easily identify with her vision of " Guardian Angels"**

From the Author

For me, talking to readers who love my stories and characters as much as I do is a dream come true.

NOTHING is more exhilarating or inspiring. The author writes, yes, but I honestly believe it is the reader, that breathes life and soul into the characters in a book. Without the reader and their wonderful imaginations, stories and characters are words arranged neatly on a page waiting to be born, waiting to be loved.

To the reader, my characters and I thank you.

Patti Roberts.

From the Inside Flap

Two mysterious strangers arrive just in time to help a little girl as she struggles to cope with the death of her father. But are their intentions as innocent as they seem, or is there something else on their agenda?
