Ramona Quimby, Age 8 By Beverly Cleary

In this special reissue of *Ramona Quimby, Age 8*, the timeless classic now features a special foreword written by actress, producer, and author Amy Poehler, as well as an exclusive interview with Beverly Cleary herself.

Ramona likes that she's old enough to be counted on, but must everything depend on her? Mrs. Quimby has gone back to work so that Mr. Quimby can return to school, and Ramona is expected to be good for Mrs. Kemp while her parents are away, to be brave enough to ride the school bus by herself, and to put up with being teased by Danny the Yard Ape. In Ramona's world, being eight isn't easy, but it's never dull!

In this Newbery Honor Book, Beverly Cleary lovingly chronicles Ramona's experiences.

Editorial Review

Amazon.com Review

From the first day of third grade, when Ramona Quimby meets her eventual nemesis Yard Ape, life moves on at its usual wild pace--usual for the boisterous Ramona, that is. Soon she is accidentally squashing a raw egg into her hair at the school cafeteria, being forced to play Uncle Rat with her annoying young neighbor, and, worst of all, throwing up in her classroom. The responsibilities of an 8-year-old are sometimes daunting, especially in a family that is trying to squeak by while the father goes back to school. But Ramona is full of too much vim and vigor to ever be down for long.

In her second Newbery Honor Book about Ramona (the first was *Ramona and Her Father*), Beverly Cleary presents another slice of the Quimby family life. Author of more than two dozen children's books, Cleary has a true knack for understanding the tangle of thoughts and emotions in a child's mind and heart. Empathic, witty, and astute, she has earned many other awards, including the Newbery Medal for *Dear Mr. Henshaw*. Alan Tiegreen's clever line drawings have charmed countless readers of Cleary's books over the years, and his style is now inextricably tied to hers. (Ages 8 to 12) --*Emilie Coulter*

Review

"Cleary shows us life through Ramona's eyes and shows her young readers that they are not alone."-- "Kirkus Reviews"

From the Inside Flap

Read by Stockard Channing

Two cassettes / 2 hours 5 minutes

Mr. Quimby's going to college, Mrs. Quimby's going to work. Now that Ramona is eight, she can go to a new school with a new teacher and ride the bus all by herself. But after school she has to stay with Grandmother Kemp and be nice to that bratty little Willa Jean until Beezus--who's tempermental enough to ruin anyone's day--comes to take her home. Life isn't as easy for Ramona as it used to be. All the Quimbys have to adjust, and Ramona gets her chance to prove that she's "big enough for her family to depend on."

Users Review

From reader reviews:

Melissa Wilcox:

Book is to be different for each and every grade. Book for children until finally adult are different content. As we know that book is very important usually. The book Ramona Quimby, Age 8 has been making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you.
