Spanish Alphabet Coloring Book (Dover Children's Bilingual Coloring Book) By Nina Barbaresi

Here is a coloring book that can teach children over 150 basic words in the Spanish language, from *árbol* (tree) and *ardilla* (squirrel) to *zanahoria* (carrot) and *zapatos* (shoes). As children color in the pictures of a vaquero (cowboy), *ventana* (window), or *vaca* (cow), they'll effectively build their Spanish vocabularies in a way that makes learning fun.

Nina Barbaresi's deft drawings make each of her subjects clearly recognizable. To help young artists associate each picture with the correct Spanish word — and remember it later on — the Spanish word appears next to each image, and again at the bottom of the page with its definite article and English translation.
