Editorial Review

Review

A "non-classical approach" for singers which uses rib cage expansion as the method for breath support, control and vocal freedom. Audio tapes have vocalises which range from simple to very challenging. This is worth buying- audio tapes are an eye opener for me! -- *Dede Nibler, Sweet Adelines International Instructor, June, 1997*

Anyone can benefit from the skills and techniques acquired by using the Deva Method without compromising their style. I personally am thrilled with my vocal growth and advancement since starting this course. -- *MJ Topolewski, Editor's Choice, April, 1999*

Combining over thirty years of performance and teaching experience with extensive research in vocal mechanics, Jeannie has produced an innovative approach for teaching the non-classical use of the voice, which covers all forms of popular-music. She explains with great clarity why we must avoid physical tension in the throat and how to achieve this relaxation with out compromising our choice of style. No matter what your level of singing, Jeannie has the answers for you, clearly explaining what is required and how to achieve your best on a gig or in the recording studio. -- *Magic Dick, The J. Geils Band, 1994*

If you are like me, you may wish Jeannie was a brilliant surgeon that could miraculously implant a golden throat. Since that is not possible, you might want to pick up this course and follow the instructions carefully, and practice, practice, practice. The Deva Method is the closest thing to getting cosmetic surgery for your voice. --*Steve Davdison, Northeast Performer Mag. May, 1994*

Jeannie Deva is a total asset to anyone serious about their vocals. They should get involved with her right away- the sooner the better. --*Dave Frangioni, MIDI Specialist for Aerosmith, Winger, Elton John, April, 1996*

The best vocal coach in the entire world. You are and will continue to be an inspiration to me. --*Charisse Arrington, MCA Recording Artist, May 1995*

Users Review

From reader reviews:

Kevin Serna:

Information is provisions for those to get better life, information today can get by anyone at everywhere. The information can be a understanding or any news even a concern. What people must be consider when those information which is inside the former life are difficult to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take The Contemporary Vocalist Improvement Course (Book & 4 CD Edition) as the daily resource information.

Patricia Cockrell:

Does one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you never know the inside because don't evaluate book by its deal with may doesn't work the following is difficult job because you are afraid that the inside maybe not since fantastic as in the outside look likes. Maybe you answer could be The Contemporary Vocalist Improvement Course (Book & 4 CD Edition) why because the wonderful cover that make you consider about the content will not disappoint a person. The inside or content will be fantastic as the outside or cover. Your reading 6th sense will directly show you to pick up this book.

Jesse Harrison:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your time to upgrading your mind expertise or thinking skill actually analytical thinking? Then you have problem with the book when compared with can satisfy your short period of time to read it because this time you only find book that need more time to be study. The Contemporary Vocalist Improvement Course (Book & 4 CD Edition) can be your answer as it can be read by a person who have those short extra time problems.

Stephen Thrush:

Many people spending their time period by playing outside together with friends, fun activity together with family or just watching TV all day every day. You can have new activity to shell out your whole day by reading through a book. Ugh, ya think reading a book can actually hard because you have to use the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smartphone. Like The Contemporary Vocalist Improvement Course (Book & 4 CD Edition) which is having the e-book version.
