Triumph of Justice : Closing the Book On the Simpson Saga By Daniel Petrocelli, Peter Knobler

When Daniel Petrocelli was first approached to represent the family of Ron Goldman in the O.J. Simpson civil trial, he was one of the few people in America who had paid little attention to the Simpson criminal trial. His first inclination was to turn down the case. But as friends and clients urged him to accept, as he got to know not only the Goldmans but the facts of the case and the human tragedy lurking behind it, Petrocelli realized this was something he had to tackle head on.

Never having tried a murder case, putting his firm's considerable reputation at risk, confronting a media swarm for which he was totally unprepared, and facing an overwhelming financial disadvantage, Petrocelli nonetheless went on a personal and increasingly passionate mission to bring about justice. Triumph of Justice is a chronicle of that mission. Petrocelli's insights, observations, and inside information not only show us how he convinced a jury to find O.J. Simpson liable for \$33.5 million in the deaths of Nicole Brown Simpson and Ron Goldman--proving to the American people that their legal system does indeed work--he also makes the story a compelling and exciting legal read.

Among the revelations detailed in these pages:

Petrocelli's ten-day, no-holds-barred deposition of O.J. Simpson

What Petrocelli learned from the incendiary depositions and interviews of Kato Kaelin, Faye Resnick, Marcus Allen, A.C. Cowlings, and others

The surprising realizations that emerged from a mock jury trial, which Petrocelli lost

His dramatic face-to-face courtroom confrontation with O.J. Simpson on the witness stand

What happened that night in Brentwood

Petrocelli also offers insight into the larger issues--of race, wealth, celebrity, and police competence--surrounding the case. He places the trial in its proper context and, in so doing, examines legal questions and issues about our justice system that affect and reflect upon every one of us.

Triumph of Justice proves, conclusively, that O.J. Simpson told lie after lie and that he did indeed kill his ex-wife and an innocent man. It is the story you haven't heard about the trial you didn't see and is the closest, most in-depth look at an important murder case since *Helter Skelter*.

Editorial Review

Amazon.com Review

Daniel Petrocelli is the attorney who represented Fred Goldman and his family in their civil suit against O.J. Simpson for the death of their son Ron. (As such, he also coordinated the simultaneous prosecution of suits brought by Ron Goldman's biological mother and by the estate of Simpson's ex-wife, Nicole Brown Simpson.) In *Triumph of Justice*, Petrocelli tells readers how he was able to succeed where Marcia Clark and Chris Darden failed, convincing a jury that Simpson was indeed liable for the deaths of Goldman and Brown Simpson.

Petrocelli takes us behind the scenes, revealing how he got--and almost lost--the job soon after Simpson walked out of the criminal trial. He goes through rigorous depositions and cross-examinations in nearly complete detail, poking holes in Simpson's ludicrous alibi. Although he has very little good to say about Simpson (whose football exploits he admired before taking on the case), Petrocelli does have professional compliments for his legal adversaries. It's an important element to note--unlike other books from Simpson trial insiders, *Triumph of Justice* doesn't have aggrandizement or apologies for its author as the top priority. The mission here is simple--to tell the story of how justice was done--and Petrocelli achieves his objective nobly.

Review

Although the Simpson testimony is the most dramatic part of the book, *Triumph of Justice* is also a fascinating legal procedural. -- *The New York Times Book Review*, Barry Gewen

Users Review

From reader reviews:

Joseph Felix:

As people who live in the actual modest era should be update about what going on or information even knowledge to make these individuals keep up with the era and that is always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice for yourself but the problems coming to you actually is you don't know what kind you should start with. This *Triumph of Justice : Closing the Book On the Simpson Saga* is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Claudine Currie:

Nowadays reading books become more and more than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The information you get based on what kind

of e-book you read, if you want have more knowledge just go with schooling books but if you want sense happy read one along with theme for entertaining like comic or novel. The actual Triumph of Justice : Closing the Book On the Simpson Saga is kind of guide which is giving the reader capricious experience.

Harrison Colon:

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire all their reader with their story or maybe their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some analysis before they write to the book. One of them is this Triumph of Justice : Closing the Book On the Simpson Saga.

Kathleen Huckaby:

That book can make you to feel relax. This specific book Triumph of Justice : Closing the Book On the Simpson Saga was colorful and of course has pictures on the website. As we know that book Triumph of Justice : Closing the Book On the Simpson Saga has many kinds or category. Start from kids until teens. For example Naruto or Detective Conan you can read and feel that you are the character on there. Therefore , not at all of book tend to be make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading this.
