Doctor Who: The Secret Lives of Monsters By Justin Richards

A unique, in-depth look into the hidden lives and mysteries of the monsters from the hit BBC series *Doctor Who*—a fully illustrated color compendium that reveals proof of the existence of alien life out there and among us, packaged with removable artwork commissioned exclusively for the book.

For years, world governments and multinational organizations like the secretive UNIT have suppressed the truth. In this book, leading alienologist Justin Richards finally blows the lid off the biggest conspiracy to radically alter our world since The Scarlioni Incident.

Not only is there proof that alien life exists. *The aliens are already here.* Based on exclusive access to classified UNIT and Torchwood files—shocking information that has been suppressed for centuries—*The Secret Lives of Monsters* reveals the terrifying truth behind the rumors and legends.

Packed with iconic photographs, eyewitness accounts, diagrams and illustrations, and sixteen removable color prints, *The Secret Lives of Monsters* offers background details on a diverse range of alien species—including planetary and genetic origins, habits, social organization, and first human contact. If you want to know why the Sontaran's probic vent is his weak point or what it is used for; how Daleks reproduce; or how to determine whether your best friend is a Zygon, the answers—as well as everything you need to know to survive future invasions—are here in *The Secret Lives of Monsters*.

Review

“Packaged with removable artwork commissioned exclusively for the book, this visual collection is the perfect gift book for any Doctor Who fan.” (Geekdad.com)

“...this is a juicy volume, covering everything from the Daleks to the Weeping Angels, and it includes a packet in back with removable artwork.” (Films in Review)

“...Everything you ever wanted to know about your favorite DW baddies—and more. There are loads of pictures and facts, so much information that it will make the head of any Whovian spin!” (Kasterborous)

From the Back Cover

For years, world governments and multinational organizations, like the secretive UNIT, have labored to keep the truth about aliens hidden from the public. Now, leading alienologist Justin Richards finally blows the lid off one of the biggest conspiracies since the Scarlioni Incident. *Doctor Who: The Secret Lives of Monsters* not only proves that alien life exists but also that the aliens are already here living among us.

Based on exclusive access to classified UNIT and Torchwood files, and collating top secret information that has been kept buried for centuries, Richards reveals the terrifying truth behind the rumors and legends.

Why is the Sontaran's probic vent his weak point and what is its actual use? How do the Daleks reproduce? How can you tell whether your best friend is a Zygon in disguise? If you want answers to questions like these, then this book is a must-have. *Doctor Who: The Secret Lives of Monsters* teaches you how to recognize these hidden extraterrestrials around us and is the essential guidebook for surviving the coming invasion.

About the Author

Justin Richards has written for stage and screen as well as novels and graphic novels. He writes extensively for children and has also co-authored several action thrillers for young adults with the acknowledged master of the genre, Jack Higgins. The first two novels in his adult science fiction Never War series, *The Suicide Exhibition* and *The Blood Red City*, were published in 2013 and 2014, respectively. Justin acts as creative consultant to BBC Books' *Doctor Who* titles, and he has penned quite a few himself. Married with two children (both boys), Justin lives and works in Warwick, England, within sight of one of Britain's bestpreserved castles.
