The greater the Evil, the more deadly the game...

When a rapist is found mutilated in a brutal attack, Detective Kim Stone and her team are called in to bring a swift resolution. But, as more vengeful killings come to light, it soon becomes clear that there is someone far more sinister at work.

With the investigation quickly gathering momentum, Kim finds herself exposed to great danger and in the sights of a lethal individual undertaking their own twisted experiment.

Up against a sociopath who seems to know her every weakness, for Detective Stone, each move she makes could be deadly. As the body count starts to mount, Kim will have to dig deeper than ever before to stop the killing. And this time - it's personal.

The rising star of the British thriller scene returns with a novel that enthrall fans of Rachel Abbott, Val McDermid and Mark Billingham.

What people are saying about the Number One

Bestselling author Angela Marsons

'**Stunning** *The Mail on Sunday*

'I absolutely loved it! ... This one is one of the best crime thrillers I've read in a long time, and that includes mainstream authors such as James Patterson!'

Fiona's Book Reviews

'I don't think I've been so hooked by a new author since the discovery of Mark Edwards or Mark Billingham... if you finish a crime thriller feeling like you just need to have a lie-down and a cup of tea to get your breath back, then the writer has done their job. Angela Marsons, I still don't have my breath back.'

Reading Room with a View

'Angela is already **on my list of favourite female writers**, she is up there with Rachel Abbott, Mel Sherratt ... Leigh Russell and Karen Long.'

Crime Book Club

'I have not been so impressed by a debut novel in a long time, and I'm actually now itching for more ...**D.I. Kim Stone is like the British Jane Rizzoli.** She's so ballsy and doesn't understand the meaning of the word no.'

Leah Loves

'The only problem Angela now faces is keeping up this standard as the series progresses, but if she does then she's going to be **an author to watch and a huge star within the genre.**'

Book Addict Shaun

'It's highly unusual for me to find a book that leads me to put my life on hold. But Angela Marson's Silent Scream has led me to virtually abandon work for the last day, even with deadlines looming'
