****The newest Jaxon Jennings Thriller, *Eye Strain*, is available now for downloading. Copy and paste the link in your browser to be taken to its page: amazon.com/dp/B06X1BPMQD**

Jaxon Jennings. Cop. Homicide detective. Partner. He always had your back and rarely made mistakes.

Until the death of his son. Until the night he couldn't save him. Until everything he held dear was taken away from him.

Now, a shell of a man, his reckless actions mark him as a burn-out. A Loner. A dangerous man whom many in the Fairfax County Police Department cannot trust. The criminals he pursues in the suburbs of Washington D. C. are nothing more than ways to bide his time until his next drink, next fix, next loss of control. His past haunts him no matter how hard he tries to hide from it.

So, when a boy's body shows up floating under the ice of a quiet neighborhood pool, Jaxon finds himself immersed in a world where the ghosts of his past feel too close for comfort. A psychopath is using the innocent in ways that appear familiar.

Jaxon's past is catching up with him. And the anger that seethes below the surface threatens to destroy not only his life, but the lives of a group of kids somehow connected with him. The answers are locked, frozen in the part of his past he refuses to confront. But people are counting on him. And he must do anything to save them.

Anything. Even if it costs him his life.

Interview With The Author

Q - So, what makes the Jaxon Jennings' Thriller Mystery Series so special?

A - Jaxon's not your typical hero. He's flawed, and that makes him entertaining. As a reader, I want to be entertained and thrilled. I'm a fan of the Action & Adventure and Thriller genres, so it was natural for me to write in them. I'm also a lover of things that go bump in the night and I add a little creepiness just to make things interesting.

Not only will you want to keep reading late into the night, the pace and action keeping your nose in the page, but when you finally close the book, you'll probably keep the light on as well.

"Help me..."

Q - With the main story focusing around two younger characters, is *Frozen Past* written for adults?

A - It's definitely an adult book. With a Thriller, a certain amount of violence and adult material is expected, and *Frozen Past* definitely fits into that category. Younger readers are not the target audience of the Jaxon Jennings' series.

Jaxon is introduced to the reader in *Frozen Past*, and though it is not really a prequel, he shares the spotlight with Luke and Ellie, two teenagers who find themselves thrust into a killer's world for seemingly no reason at all. I feel the divide between the adult world and the kids' world makes the story that much more enthralling.

Q - Should the series be read in any certain order?

A - Each book is a separate story and I wrote them to be enjoyed in any order. If you find you like to stick to a chronological timeline, I'd suggest following this sequence:

- *Frozen Past*
- *Cache 72*
- *Father Figure*

Jaxon Jennings' Mystery Thriller Series eBook Categories:

- Crime Thrillers
- Mystery Action
- Mystery Adventure
- Thriller Books
- Detective Thrillers
- Murder Fiction

- Serial Killer Fiction

Thank you for reading!
