Paul of Dune (Dune Universe Book 11) By Brian Herbert, Kevin J. Anderson

Frank Herbert's *Dune* ended with Paul Muad'Dib in control of the planet Dune. Herbert's next Dune book, *Dune Messiah*, picked up the story several years later after Paul's armies had conquered the galaxy. But what happened between *Dune* and *Dune Messiah*? How did Paul create his empire and become the Messiah? Following in the footsteps of Frank Herbert, *New York Times* bestselling authors Brian Herbert and Kevin J. Anderson are answering these questions in *Paul of Dune*.

The Muad'Dib's jihad is in full swing. His warrior legions march from victory to victory. But beneath the joy of victory there are dangerous undercurrents. Paul, like nearly every great conqueror, has enemies--those who would betray him to steal the awesome power he commands. . . .

And Paul himself begins to have doubts: Is the jihad getting out of his control? Has he created anarchy? Has he been betrayed by those he loves and trusts the most? And most of all, he wonders: *Am I going mad?*

Paul of Dune is a novel everyone will want to read and no one will be able to forget.

Editorial Review

From Publishers Weekly

Starred Review. This epic science fiction tale fills in the time gap between Frank Herbert's *Dune* and *Dune Messiah*. Told by modern-day sci-fi legends Anderson and Brian Herbert (Franks son), this story packs all the punch that the originals did and then some. Relating the life of Paul Muad'Dib, leader of Dune at the climax of the original novel, this novel explores the events of the Muad'Dib jihad that subsequently led to Paul's conquering the galaxy. Scott Brick delivers a powerful and entertaining reading reminiscent of a theatrical performance in a brilliant one-man show. Bricks voice is ideally suited to this extraordinary tale; no doubt he studied the prose of each novel to capture the dialect perfectly. This is a superb, solid reading that will appeal to fans and newcomers alike. *A Tor Books hardcover. (Sept.)*

From School Library Journal

Starred Review. Paul Muad'Dib and his army of Fremen desert warriors have succeeded in their overthrow of the Emperor Shaddam IV, but holding onto a universe of fractious planets proves a challenge even for a man revered by his followers as a god. Set in the years following the late Frank Herbert's classic *Dune* and its sequel, *Dune Messiah*, the latest joint effort by Herbert's son Brian and noted sf author Anderson fills in the missing years of empire building and looks into the formative years of Paul's childhood as well as the histories of those closest to him. Drawing on Frank Herbert's massive body of notes, the coauthors of the new Dune series (*Dune: The Battle of Corrin; The Road to Dune; Hunters of Dune*) continue their expansion and illumination of the unexplored pieces of one of the genre's most significant and powerful stories. A priority purchase for libraries of all sizes. Highly recommended.

The Gears, husband-and-wife archaeologists turned best-selling authors, continue their superbly researched and rendered North America's Forgotten Past series. Picking up where *People of the Weeping Eye* (2008) left off, visionary Old White, mystical Two Petals, and brooding Trader continue to traverse across the continent to Split Sky City and their individual and collective destinies. The Sky Hand people have fallen under the spell of a dangerous new leader, and death and destruction seem inevitable. It is up to this unlikely trio of heroes to stop Smoke Shield in order to prevent impending doom and disaster. Infused with Native American mythology and based on the history and archaeology of Alabama's Moundville site, this story interweaves fact and legend to illuminate a long-forgotten or ignored chapter in the prehistory of America. The Gears provide a fascinating fictional foray into the multilayered political, spiritual, and military story systems of a once bustling region and a once thriving culture, and this novel is as good a place as any of its predecessors to jump in and begin enjoying the authors' talents. --Margaret Flanagan
