Social Work and Social Welfare: An Introduction By Rosalie Ambrosino, Joseph Heffernan, Guy Shuttlesworth, Robert Ambrosino

This popular text is designed to give you a broad understanding about the social work profession and the role that the profession plays in the social welfare system. The authors demonstrate that there are many reasons why social problems occur. You'll explore the history, values, economic, political and cultural factors that surround these issues, as well as the attempts to solve or address them. Throughout this thought-provoking text, you'll be challenged to think critically about issues in a new way, and gain a more in-depth comprehension and appreciation for this important profession.

Editorial Review

Review

"This is the most informative social science book and an excellent source of reference."

"A clearly written and well-organized description of the development of social welfare in America, the basic social work practice methods and the major settings of social work practice."

"A textbook that utilizes the most current science-based knowledge and will help to prepare professionals to work with the needs and resources of the most diverse client populations."

"[This book] has important educational value... [the] authors provide a diversity of information with a variety of professional experience. This is an excellent text for students interested in social work and social welfare."

About the Author

Rosalie Ambrosino is professor and interim chair of the Department of Social Work at the University of Texas at San Antonio, where she teaches policy and cultural competence. She previously taught research, human behavior, and practice courses in child welfare. She also served on the faculty and as head of the BSW Program at the University of Texas at Austin for 18 years. Dr. Ambrosino has extensive social work experience in settlement houses/community centers, child welfare, school social work, and administration. She received her Ph.D. at the University of Texas at Austin, her master's degree at Antioch University, and her bachelor's degree at the University of Minnesota.

Joseph Heffernan taught policy and research courses at the University of Texas at Austin before retiring. He has significant macro-level experience with policy analysis, with particular emphasis on poverty and economic issues relating to social welfare.

Guy Shuttlesworth, a noted gerontology authority, is a professor emeritus from the University of Texas at Austin, where he taught policy and practice courses as well as developed a gerontology program. His research interests include long-term care and rural America.

Robert Ambrosino is a lecturer at the University of Texas at San Antonio. A seasoned instructor in policy, research, community practice courses, and transformational leadership, he has also taught at St. Edwards University in Austin and the University of Texas at Austin. With his extensive experience in macro practice, Dr. Ambrosino served as deputy commissioner of the Texas Department of Human Services, developed Texas food stamp electronic benefits cards, and worked as executive director of a statewide Texas nonprofit family and youth services agency. He received his Ph.D. from State University of New York at Albany and his bachelor's degree from Siena College.

Users Review
