Editorial Review

Review

"[Lawrence was] a writer with an extraordinary sense of the physical world, of the colour and texture and shape of things, for whom the body was alive and the problems of the body insistent and important." -- Virginia Woolf

From the Publisher

Under-appreciated until now, *The Lost Girl* is perhaps D.H. Lawrence's most beautiful, thoroughly contemporary, love story. This captivating novel charts the journey of a woman caught between two worlds and two lives—one mired in dreary, industrial England and a life of convention, the other set in the vibrant Italian landscape holding the promise of sensual liberation. Alvina Houghton is fading into spinsterhood when she meets Naples-born Cicio, a vaudeville dancer who draws her into a dance of seduction, reawakening her desire as she defies her stifling upper-class life.

From the Inside Flap

"The Lost Girl, D. H. Lawrence's forgotten novel, is a passionate tale of longing and sexual defiance, of devastation and destitution.

Alvina Houghton, the daughter of a widowed Midlands draper, comes of age just as her father's business is failing. In a desperate attempt to regain his fortune and secure his daughter's proper upbringing, James Houghton buys a theater. Among the traveling performers he employs is Ciccio, a sensual Italian who immediately captures Alvina's attention. Fleeing with him to Naples, she leaves her safe world behind and enters one of sexual awakening, desire, and fleeting freedom.
