Why Men Rebel By Ted Robert Gurr

Why Men Rebel was first published in 1970 after a decade of political violence across the world. Forty years later, serious conflicts continue in Africa, Asia and the Middle East. Ted Robert Gurr reintroduces us to his landmark work, putting it in context with the research it influenced as well as world events. Why Men Rebel remains highly relevant to today's violent and unstable world with its holistic, people-based understanding of the causes of political protest and rebellion. With its close eye on the politics of group identity, this book provides new insight into contemporary security challenges.

Editorial Review

Review

Likely to last a long time. --James C. Davies in Orbis

I am delighted to see *Why Men Rebel* back in print. In addition to being an important theory about protest and rebellion it also serves well teachers who wish to illustrate theoretical levels of analysis and how theory can focus on one while engaging the context provided by others. Gurr's theory is sometimes over-simplified as a purely psychological theory. Yet it has a core focus on individual grievances within the context of societal norms and values as well as government capacity and repression. Few rational choice theories ground their analysis within social contexts, and few of the sociological or structural theories provide an account of the impact of individuals' beliefs or motives. *Why Men Rebel* provides not only an important theory of protest and rebellion, but remains today a model for developing a rigorous theory that engages the complexity and nuance that this topic surely requires. --Will H. Moore, Florida State University

The most important book that has been published on social violence in a good number of years. . . .a superb piece of work. --Lewis A. Coser in *The New York Times Book*

About the Author

Ted Robert Gurr is Distinguished University Professor, Emeritus, and Founding Director of the Minorities at Risk Project in the Center for International Development and Conflict Management at the University of Maryland.

Users Review

From reader reviews:

Geraldine Davis:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that reserve has different type. Some people truly feel enjoy to spend their time and energy to read a book. They may be reading whatever they acquire because their hobby is reading a book. Why not the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem or even exercise. Well, probably you will want this *Why Men Rebel*.

Jesse Harrison:

What do you consider book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Merely you can be answered for that question above. Every person has several personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great in addition to important the book *Why Men Rebel*. All type of book is it possible to see on many options. You can look for the internet options or other social media.

Ronald Marinelli:

The ability that you get from Why Men Rebel is the more deep you rooting the information that hide in the words the more you get serious about reading it. It does not mean that this book is hard to be aware of but Why Men Rebel giving you excitement feeling of reading. The article writer conveys their point in specific way that can be understood through anyone who read the item because the author of this e-book is well-known enough. That book also makes your current vocabulary increase well. Making it easy to understand then can go together with you, both in printed or e-book style are available. We recommend you for having that Why Men Rebel instantly.

Jackie Thompson:

Within this era which is the greater man or who has ability to do something more are more special than other. Do you want to become one of it? It is just simple way to have that. What you must do is just spending your time not very much but quite enough to possess a look at some books. One of the books in the top collection in your reading list is actually Why Men Rebel. This book which is qualified as The Hungry Hills can get you closer in becoming precious person. By looking upwards and review this e-book you can get many advantages.
