God Is In The Small Stuff By Bruce Bickel, Stan Jantz

Bruce and Stan's newest book encourages readers not to disregard the minor, insignificant things in life. Rather, *God Is in the Small Stuff*...encourages a better understanding of God's infinite character, reminding readers that He is a personal and intimate God, involved in every detail of their lives, however minute. *God Is In the Small Stuff...and it all matters* contains 40 chapters, with titles such as "Remember that God Loves You," "Discipline Yourself (No One Else Will)," and "Contentment Won't Kill You." Each chapter includes an introductory commentary in the tongue-in-cheek Bruce & Stan style, followed by bits of pithy and sometimes humorous wisdom such as: God knows what's in our hearts. We might as well get right to the point.

God will never send a thirsty soul to a dry well.

God won't take away a sin until you give it over to Him.

The way you think about God does not define Him.

Editorial Review

From the Publisher

This daily reminder of God's love, features inspiring thoughts on faith and life that will change the way you look at your everyday experiences.

From the Back Cover

God is a big God.

So big. . .that He fashioned the entire glorious world we live in. So big. . .that He orchestrates the wild dance of planets and universes we've yet to explore. So big. . .that he cares about even the seemingly ordinary little details of your life.

Because those "small things" really matter: What you said this morning to your spouse. . . . How you spend your extra money. . . . When you chose a moment to lift a coworker's sagging spirits. . . . Who you are when no one's looking.

God is in the little details like these. That's where you'll find Him, encouraging you, challenging you, cherishing you. That's where you'll find Him inviting you to stop worrying and start living. That's where you'll find Him, revealing His love for you.

Bruce and Stan show you where to look.
